EXECUTIVE DIRECTOR'S REPORT

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of September 24, 2007

RIVERTON-BELVIDERE

A lot has happened since July when we last met, and we have a lot of action items today, but first I would like to remind everyone that we celebrated the rededication of the Riverton-Belvidere Toll-Supported Bridge last month.

The \$8.8 million rehabilitation project was completed on time and under budget. This is the seventh bridge to be rehabilitated under the Commission's long-term capital improvement program.

Congratulations to the project team for a job well done.

I-78

And while one project ends, another begins. The rehabilitation of the I-78 roadway on the New Jersey side is expected to begin in October.

The roadway will remain open during the construction. Plans call for three lanes in the peak travel direction to be maintained.. The closure of one or two lanes for construction is anticipated to occur during off-peak travel periods.

This project will fix the deteriorating conditions of the roadway. As many of you know, heavy truck traffic has caused the roadway to settle and the concrete to crack.

MILFORD-MONTAGUE

Continuing with our capital improvement program, today you will be asked to vote to allow me to proceed with the next steps leading to the award of the construction management and inspection contract for the rehabilitation of the Milford-Montague Toll Bridge.

The rehabilitation will include repainting the bridge and replacing the existing bridge deck, approach roadway pavements and toll plaza.

Construction is expected to begin by the end of this year.

CALHOUN STREET

You will also be asked to vote to ratify the award of a contract for a structural analysis of the Calhoun Street Toll-Supported Bridge. This is the first step in rehabilitating this bridge, which is the oldest of the Commission's crossings.

Built in 1884, the bridge is a truss bridge constructed of wrought iron, which predates steel and presents us with some unique challenges.

The structural analysis will assist the Commission in determining the best approach as we move forward with our rehabilitation plans.

Meeting of September 24, 2007

NEW HOPE-LAMBERTVILLE

As I mentioned, we have a lot of action items today. In addition to voting on Milford-Montague and Calhoun Street, you will be considering a contract for repairs to the protective concrete apron on the New Hope-Lambertville Toll Supported Bridge.

The project includes repairing a 6-foot-by-3.5 foot section of deterioration of the concrete apron at the base of Pier 2, which is the second pier from the Pennsylvania side.

A recent inspection of the pier apron has determined that the current condition of the apron poses no threat to the stability of the bridge or the safety of the traveling public.

However, by making these repairs now, we are hoping to head off significant damage from future flooding.

ESS

This morning you will be seeing a presentation on the status of our electronic security and surveillance system. We are asking you today to award a contract to Mass Electric for the design, building and maintenance of the system.

Mass Electric is consistently rated one of the top ten specialty contractors in the United States. They are a national firm with a long-standing reputation for excellence.

The electronic surveillance system is necessary to improve the security and safety of our bridges and infrastructure, the traveling public, and our employees.

It will also have an every day impact in reducing traffic and congestion associated with accidents and other incidents. The system will help to reduce the time required to detect, respond, and manage incidents, enabling the Commission to clear an accident in a timelier manner and get traffic flowing again.

In times of major incidents, such as the flooding that has occurred over the past two years, this system will improve the Commission's ability to get ahead of potential problems and provide necessary assistance to local communities.

DBIA

Finally, it is my great pleasure to announce that the Commission has been awarded the New York Tri State Region Project of the Year Award by the Design Build Institute of America for the successful installation of our EZ-Pass System.

As some of you may remember, one of the primary features of the early capital program was the deployment of an electronic toll collection system, E-ZPass, to reduce congestion and increase throughput on the Commission's toll bridges.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of September 24, 2007

A very short time frame for deployment was required because the Commission had made a public commitment to not increase tolls, funding necessary to finance the overall capital program, until E-ZPass had been successfully deployed at each of the Commission's seven toll bridges.

Beginning in January 2002 with the issuance of an RFP for a Program Manager, the Commission put together a team of consultants, contractors, construction managers, system integrators and customer service vendors, including STV, Transcore, ACS, The Washington Group, and Roadcon.

All team members were focused on implementing an electronic toll collection system in an expedited manner.

In 11 months, the Commission, as General Contractor, had two lanes of electronic toll collection operational at each of its seven toll facilities. Seven months later, the Commission had all 36 toll lanes at each of its seven toll facilities fully operational with EZ Pass only and mixed use.

This award recognizes the success of this project and is a great honor for the Commission. Congratulations are in order all around.

PRESENTATIONS - CERTIFICATE OF COMMENDATIONS

Chairman DeGerolamo presented to Michael Meeker, Supervisor, Department of Security, Safety and Training, a commendation, for his exemplary action during the incident at the Delaware Water Gap Toll Bridge on Monday, September 10, 2007.

RESIGNATION OF ROBIN WIESSMANN

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of September 24, 2007

Vice Chairman Wiessmann addressed the meeting and said:

“Today I am announcing my resignation for the Commission effective today. This is as planned since my confirmation as State Treasurer. I do want to say for the record, that I am very pleased with our progress as a Commission. The enhanced professionalism and the service to our stakeholders I think marks a particular good point in time to the Commission. I have thoroughly enjoyed my fellow Commissioners and all of the staff and I must say I so enjoyed the collegiality we now share on both sides of the river. I have every confidence in the continued good representation of all of the Commissioners and particularly Bucks County by all of the Commissioners and particularly Bucks County by Commissioner Griggs. And to that end, I would like to suggest that we proceed to elect a new Vice-Chairman.”

ELECTION OF GAETAN ALFANO AS VICE CHAIRMAN

R: 1395-09-07

Chairman DeGerolamo addressed the meeting and stated in light of the announcement by Commissioner Wiessmann, we will proceed to elect a Vice Chairman for the ensuing year.

Commissioner Wiessmann addressed the Meeting and said:

“It is my honor to nominate the Honorable Gaetan Alfano , a member of the Commission from the Commonwealth of Pennsylvania, to serve as the Commission’s Vice Chairman for the ensuing term.”

The nomination was seconded by Chairman DeGerolamo.

RESOLVED, by the Delaware River Joint Toll Bridge Commission at this Meeting assembled this 24th day of September 2007, that the Executive Director of the Commission, Frank G, McCartney, in his capacity as Secretary for this Meeting be, and he hereby is authorized and directed, on behalf of the Commission Members, to certify the Election of (1) Gaetan Alfano, who will serve as Vice Chairman of the Delaware River Joint Toll Bridge Commission for the ensuing term, and the said Gaetan Alfano will (effective immediately) assume all authorities, powers and duties vested respectively in the Office of Vice Chairman, as set forth in (1) the By-Laws of the Commission; and (2) the Trust Indenture.”

Commissioner Fowler moved and Commissioner Hodas seconded the closure of the Nomination.

Vice Chairman Alfano addressed the meeting and said:

“Thank you. I am already at a disadvantage. I am not as smart as Robin, I am not as experienced, but I would really like to take this opportunity to thank Robin Wiessmann for her service to this Commission. She has done it with a civility and

collegiality that has just marked her term as Vice-Chair. As all of us in this room know and perhaps the public does not know, Robin is an accomplished financial professional, and she has really put this Commission at the vanguard of many important issues, but most importantly, our public financing. We could not have accomplished the Compact Authorized Investment program, the SWAP transaction or our recent bond financing transaction without Robin's guidance.

So, Robin, thank you. We were blessed to have had you on the Commission and, fortunately, you are going to continue to serve us in your public service, at least on the Pennsylvania side."

Chairman DeGerolamo invited questions on the Resolution, but no questions were presented. The Resolution was unanimously adopted.

PRESENTATION OF GAVEL AND PLAQUE TO COMMISSIONER ROBIN WIESSMANN

Chairman DeGerolamo addressed the meeting and said:

"Robin, at this time we would like you to come forward and before we do a presentation, not to be outdone by my new Vice Chairman with his eloquent comments, but I will tell you since I came on the Commission in May of 2005, I have had the opportunity to work with you as Chair and as Commissioner before that, I will tell you in February 2003 when you were appointed to this Commission and came on board, obviously, Governor Rendell understood what type of person he was putting on this Commission, not only to serve the residents and citizens of the Commonwealth of Pennsylvania, but, obviously, as a bi-state agency we reach over to each others—Commonwealth and States, and you served not only the residents of Pennsylvania, but served the residents of New Jersey in high esteem, and I appreciate everything you have provided to us and we wish you the best of success in all your future endeavors. And if there is anything you ever need to call upon us, please feel free at any time.

Now at this time, we would like to present to you, a gavel and plaque on behalf of the Delaware River Joint Toll Bridge Commission for your dedicated service to both the Commonwealth of Pennsylvania and the State of New Jersey. Thank you."

Mr. Groen, Pennsylvania General Counsel addressed the meeting and said:

"I just want to say, that it has been an honor, privilege and a pleasure of serving Robin as counsel for the Commission and working with her and all the things that Gaetan has mentioned. I certainly will miss her greatly."

Mr. Perrucci, New Jersey General Counsel addressed the meeting and stated, he would like to second the comments made by Mr. Groen, it has been a real pleasure.

Meeting of September 24, 2007

INTRODUCE ANY COMMENTS FROM THE PUBLIC

Chairman DeGerolamo addressed the meeting and invited any comments from the Public or Press.

Jane Burger, Morrisville Borough Counsel member addressed the meeting and stated, she was attending this meeting today on behalf of Morrisville Borough Council, to discuss some of the projects presently underway in Morrisville, Borough.

Chairman DeGerolamo addressed the meeting and asked if there were any further comments for the public or press.

COMMENDATION TO EMPLOYEES

Chairman DeGerolamo addressed the meeting and said:

“The Commissioner received copy of a memorandum from Frank Tolotta to Executive Director McCartney today, commending the employees and all of the districts for a very good annual inspection of equipment and vehicles, and I would ask that, at every facility we post a thank you to the employees of the Bridge Commission for a job well done, on behalf of the Commission. I do not think we recognize the good job that all the employees do on a day-in and day out basis. Actually, today we took part of that action when we honored two of the people who were involved, Mr. Joseph and Mr. Meeker, regarding what they considered to be a daily part of their job.”

SCHEDULING OF THE OCTOBER 2007 MEETING

Chairman DeGerolamo addressed the Meeting and stated that the Commission's next meeting will be held October 29, 2007.

The Meeting will be Called to Order at 10:30 a.m. in the Directors' Room adjacent to the Operations/Maintenance Building, New Hope, Pennsylvania, on Monday, October 29, 2007.

Executive Director McCartney assured the Commission Members that an “Official Notice of Meeting” would be forwarded to each and every Member of the Commission.

ADJOURNMENT

Chairman DeGerolamo invited a motion for Adjournment.

Commissioner Fowler then moved that the Meeting be adjourned and Commissioner Hodas seconded the motion. The voice vote was unanimously affirmative and the Meeting was adjourned at 12:16 p.m., Monday, September 24, 2007.
