WELCOMING REMARKS OF CHAIRMAN

Chairman DeGerolamo welcomed those persons whose identities are set forth herein above under "Appearances".

INTRODUCE ANY COMMENTS FROM THE PUBLIC

Chairman DeGerolamo addressed the meeting and invited any comments from the Public or Press on items pertaining to today’s Agenda.

EXECUTIVE DIRECTOR’S REPORT

100,000th E-ZPass Transponder

I had the honor earlier this month of issuing an EZPass to the Commission’s 100,000th customer.

Edith Pettintheo (Pet-knee-oh) of Albrightsville, Carbon County, Pennsylvania was the lucky recipient. She signed up at our QuickStart event and walked away with $100 in prepaid tolls.
The percentage of our revenues coming from EZPass has increased steadily since the program's inception. In 2003, a year after we started the program, 44 percent of our revenues came from EZPass. That has grown to 59 percent in 2006.

Before I continue with the rest of my report, I’d like to present each of you with this commemorative plaque provided by Mark IV.

**Trenton-Morrisville (Route 1) Rehabilitation**

We are just about in full swing with the rehabilitation of the Trenton-Morrisville Toll Bridge.

Last week, we held a very productive two-day partnering session to get everybody on the same page as we move forward and we held a very well-attended open house last Wednesday to answer questions from the community.

Contractors began site preparations on Nov. 27, and we have fortunately been able to avoid full-scale lane closures until next month.

**Centre-Bridge Stockton Rehab Set to Begin**

We are set to begin construction on the Centre-Bridge Stockton Toll Supported Bridge on January 2nd. As we promised the community, construction will take place during the week so the bridge can be open on weekends.

A partnering session is planned for tomorrow. You are all invited.

**Riverton-Belvidere Moratorium to be Lifted**

The construction moratorium on the Riverton-Belvidere Toll-Supported Bridge is being lifted on January 2nd, which means our next weekend closure will occur on January 6th.

The bridge will close completely from 9 p.m. on Saturdays to 5 a.m. on Tuesdays, except for President’s Day, Easter, Memorial Day and July 4th weekends. As you know, the weekend closures are necessary to accommodate the contractor’s need for a 56-hour window of uninterrupted work time.

Throughout the duration of the project there will be intermittent single-lane closures during off-peak travel times, between 9 a.m. and 3 p.m., Tuesday through Friday. Construction is expected to continue through July 2007.

**Bristol Borough Check Presentation**

Vice Chairwoman Robin Wiessmann presented a ceremonial check to Bristol Borough Council last week for $999,500. The Commission awarded the money to the borough in October as part of our Compact Authorized Investments program. The Borough is using the funds to install 11 new traffic signals.

**Budget**
Today you will be voting on our 2007 operating budget and our 2007 capital plan.

The operating budget for next year is $44,400,000.00 which reflects a 5.62% increase over last year’s budget. The increase is largely attributable to increases in employee salaries and benefits. The spending plan includes a 3% cost of living adjustment for all eligible full-time employees.

The capital plan authorizes funding for projects under the Commission’s capital improvement program.

The plan programs $412 million for ongoing and future capital projects including the bridge projects I mentioned earlier in this report – Trenton-Morrisville, Centre-Bridge-Stockton and Riverton-Belvidere. Projected capital expenditures for 2007 are $139.6 million.
