

PROJECT DESIGN CONSIDERATIONS

- » **Avoid full bridge closure - only as a last resort**
- » **Start uninterrupted lane closures after winter holidays**
- » **Limit walkway closure to the three coldest months of the new year**
- » **Shuttle service for pedestrians during walkway closure**
- » **Reopen walkway before Shad Fest weekend**
- » **No intensive overnight work - anticipate two work shifts**
- » **Maintain westbound traffic on the bridge (toll direction at the Route 202 bridge)**
- » **Bridge fully open for two-way traffic on weekends by Memorial Day**
