**Delaware River Joint Toll Bridge Commission**  
**Meeting of November 25, 2019**

**IBE PROGRAM OVERVIEW**

The Delaware River Joint Toll Bridge Commission (Commission) established an IBE Program (MBE/WBE/SBE/DBE/DsBE/VBE) with a target of 25% for all Professional Services and Construction Contracts awarded by the Commission effective July 1, 2014. To date, the Commission has awarded sixty-two (62) contracts, with the IBE Program requirements. Currently, there are **(39) active** projects and **(23) completed** projects.

**IBE Program Requirements**

The Commission began using Elation Systems effective January 2017, as the online system for Payment Verification and Certified Payroll Reporting (CPR). All contracts awarded by the Commission to a Prime Consultant/Prime Contractor and their Subconsultants and Subcontractors use this service free of charge. Online training is available to vendors on how to use Elation Systems. The Contract Compliance Department and Elation Support Staff are available to assist all users.

The Contract Compliance Department (CCD) monitors, posts and reports data in regards to all payments. The CCD also reviews all Certified Payrolls submitted into Elation Systems.

*The following are all mandatory requirements:*

**Company On-Line Registration:**

- i. All Primes must register their company and activate an account in Elation Systems; *and*
- ii. All Primes must also ensure that all Subconsultants and Subcontractors register their company and activate an account in Elation Systems.

**Payment Verification:**

- i. Prime Contractors must post all payments to their Subconsultants and/or Subcontractors in Elation Systems; *and*
- ii. Prime Contractors and their Subconsultants and/or Subcontractors must confirm all payments received in Elation Systems.

**Certified Payroll Reporting:**

- i. All Prime Contractors are responsible for assigning someone from their staff with the responsibility to review, approve, and upload their CPR(s) on a weekly basis into Elation Systems; *and*
- ii. All Prime Contractors must also ensure that their Subcontractors upload their CPR(s) on a weekly basis into Elation Systems.

Prime Consultants / Contractors IBE Target performance will be displayed / available on the Commission's public website.

**Delaware River Joint Toll Bridge Commission**  
**Meeting of November 25, 2019**

**Contract Compliance Department**  
**Compliance Score Rankings Overview**

The Commission through its Contract Compliance Department has instituted a Compliance Score Ranking that will be included in the Monthly Contract Compliance Report for all Professional Services and Construction Projects.

The Compliance Score Ranking is an ongoing summary of data presented on Active and Completed contracts, which includes the tracking of payments from Prime Consultants and Contractors to IBE Subconsultants and Subcontractors, and the Prime Contractors Workforce Utilization. The Scores will illustrate the progress and participation to meet the Targets by Prime Consultants and Contractors as part of the IBE program.

The complete and timely reporting of payments and certified payrolls to the Elation Systems by the Prime Consultants and Prime Contractors, and their Subconsultants and Subcontractors, will assist the Prime Consultant and Prime Contractor in tracking the data to meet their targets.

Accordingly, each Prime will also be given a final grade at the completion of each project. Additionally, the data will be uploaded onto the Commission's public website on a monthly basis. *The Score(s) are factored using the following criteria:*

**IBE PAYMENTS**

The payments by the Prime Consultant / Contractor to each of their IBE Subconsultants / Subcontractors will be calculated based on the criteria set by the Commission's 25% IBE Target.

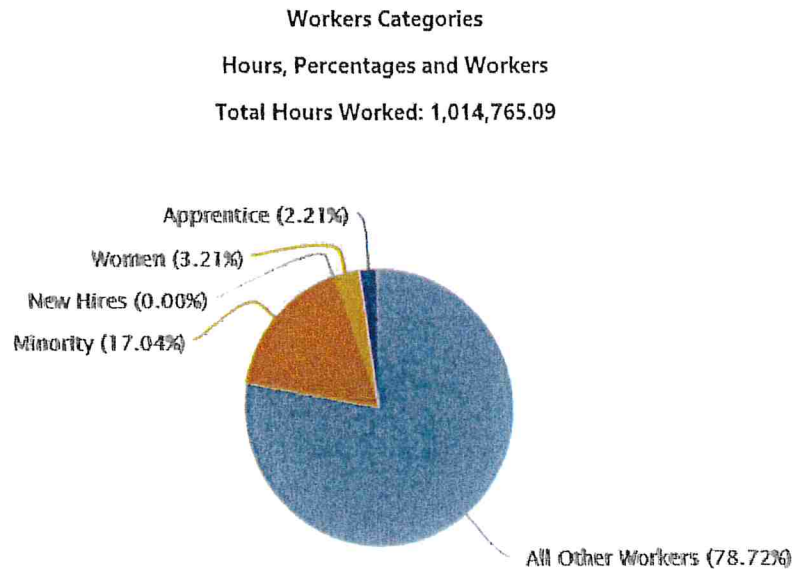

**WORKFORCE UTILIZATION**

Workforce utilization contains 2 levels of scoring and documents the hourly employee utilization by workforce type, ethnicity and gender.
