The Delaware River Joint Toll Bridge Commission - The Commission is a bi-state agency created under a 1934 agreement between the Commonwealth of Pennsylvania and the State of New Jersey, and ratified in 1935 by the U.S. Congress in accordance with the Compact Clause to the U.S. Constitution. The Commission's authority has been reaffirmed in court decisions and subsequent Compact supplements.

The Bridge System - The Commission owns and operates 20 bridges crossing the low-saline and non-saline portions of the Delaware River between Pennsylvania and New Jersey. The southernmost crossing is the Trenton-Morrisville (Route 1) Toll Bridge and the northernmost is the Milford-Montague (Route 206) Toll Bridge. Eight of the crossings are toll bridges. Twelve are non-toll ("toll-supported") bridges, including two pedestrian-only spans. In addition to the bridges crossing the Delaware, the Commission owns and maintains 34 approach bridges (overpasses and underpasses) within its jurisdiction. The bi-state agency currently functions in accordance with the Compact last updated by its two jurisdictional states in 1985 and affirmed by the U.S. Congress in 1987. The agency employs close to 400 full-time employees, the majority being toll collectors, maintenance workers, and bridge safety/security monitors. The Commission fulfills its regional transportation mission without state or federal subsidies; funding for the operation, maintenance and improvement of the Commission's bridges and related facilities is derived solely from revenues collected at the agency's eight toll bridges.

Additional information regarding the Commission is available on the Commission's web site at: www.drjtbc.org

5. Identified Business Enterprise (“IBE”) Compliance:

a. **IBE Participation**

Consultants submitting a proposal for this solicitation agree to abide by the Commission’s Contract Compliance Program (“CCP”) Requirements. The Commission CCP is intended: (1) to promote and encourage minority, women, small, disadvantaged, disabled, and veteran owned businesses (referred to as “Identified Business Enterprises” or “IBEs”) to participate in business opportunities with the Commission; (2) to afford IBEs an equal opportunity to compete for work on the Commission’s contracts; and (3) to encourage consultants to provide subcontracting opportunities to certified IBEs. The Commission and its consultants shall not discriminate on the basis of race, color, religion, gender, national origin, ancestry, age, marital or veteran status, medical condition, disability, sexual orientation, citizenship, or any other classification protected by law in the award and performance of contracts. Your proposal should describe your firm’s policy relative to the prohibition of discriminatory work practices.

Consultants are encouraged to meet or exceed the twenty-five percent (25%) IBE participation targets. However, Consultants may comply without achieving the participation targets so long as they make and document Good Faith Efforts that would allow IBE participation. Minimum Good Faith Efforts are set forth in Compliance Plan II, which can be found on the Commission’s website at the Compliance Plan II link below. Consultants that do not meet the project’s targets are subject to the Contract Compliance Department’s (“CCD”) Good Faith Efforts review.

To comply with the Contract Compliance Program, a Consultant has two (2) options: (1) Compliance Plan I - the Consultant may “Opt-In” and complete forms A and B by agreeing to meet or exceed the 25% participation target (see, http://www.drjtbc.org/wp-content/uploads/CCD_IBE_Program_2_Compliance_Plan-I_07252019.pdf), or (2) Compliance Plan II - the Consultant may provide its Good Faith Efforts documentation (forms A through F) detailing their attempt to meet the 25% participation target (see, http://www.drjtbc.org/wp-content/uploads/CCD_IBE_Program_3_Compliance_Plan_II_07252019.pdf).

The Contract Compliance Program’s guidelines and forms are more fully explained and available directly from the Commission’s website (www.drjtbc.org) under Doing Business.
