

REQUEST FOR PROPOSAL
TO PROVIDE FINANCIAL AUDIT SERVICES

The Delaware River Joint Toll Bridge Commission (the "Commission") is requesting proposals from qualified firms of certified public accountants to provide independent financial audit services to the Commission for the year ending December 31, 2019.

THE COMMISSION

The Commission is a body corporate and politic that was created as a bi-state agency by an agreement between the Commonwealth of Pennsylvania and the State of New Jersey executed in December, 1934 by the Governor of the Commonwealth of Pennsylvania and the Governor of the State of New Jersey. The Commission's membership consists of ten (10) Commissioners, five (5) from each state. The Commission owns and operates a total of twenty (20) bridges across the Delaware River joining the states of New Jersey and Pennsylvania. Besides owning bridges, the Commission also owns large operating facilities and land at some of the locations. Additional information including previously prepared and filed audited financial statements are available on the Commission's web site at www.DRJTBC.org.

Audit Engagement

The Commission is seeking the services of a qualified Certified Public Accounting Firm capable of performing a normal annual audit and rendering an opinion on its financial statements and condition. This engagement request is the result of a normal rotation of CPA firms, and is in no way the result of a disagreement on scope, performance or technical issues with the Commission's previous accounting firm. All proposers are free to contact and make inquiries of the Commission's previous Auditors to the extent allowable under confidentiality standards.

The term of the audit engagement shall be for the audit year ending December 31, 2019 (audit to be performed in 2020). The Commission will also have four (4) additional one (1) year options to renew the agreement for four (4) additional audit years, at the discretion of the Commission. The Commission may exercise these options at any time prior to the commencement of the applicable option period. The Commission adopted a resolution in 2009 allowing firms to provide financial audit services for a maximum of up to five consecutive years beginning with the fiscal year 2010 audit.

Licensure/Independence Standards

Only NJ or PA licensed Certified Public Accounting Firms with sufficient governmental accounting and auditing experience will be considered for this RFP. The proposer(s) must also meet the independence standards as set forth in Standards for Audit of Governmental Organizations, Programs, Activities and Functions and the proposer(s) must have no record of substandard work.

Audit Standards

The financial statements are prepared to conform fully to Generally Accepted Accounting Principles (GAAP) and to be in full compliance with the pronouncements of the Governmental Accounting Standards Board (GASB) and/or the Financial Accounting Standards Board (FASB). The Auditor's opinion will be directed toward the fairness of presentation of financial statements in accordance with GAAP. The Auditor will also be required to comply with all applicable Federal and state laws.

SCOPE OF SERVICES

The Commission's operating budget for the calendar year 2019 is \$72,560,314. The calendar year 2019 debt service is expected to be approximately \$40.5 million. The revenue projection for calendar year 2019 is approximately \$142,476,000. Revenue is primarily derived by toll traffic activity. The Commission currently collects 85% of its toll revenue through Electronic Toll Collection ("ETC") methods and Violation Process Activities ("VPS"). The Commission has five bond issues outstanding totaling more than \$685 million outstanding. Additionally, the Commission maintains a Trust for the payment of Other Post-Employment Benefits. The trust is partially funded with approximately \$93.0 million as of June 30 2019. Previous audit statements are available on the Commission's website; DRJTBC.org.

The Commission will select the proposal that is most advantageous to the Commission, as determined by the Commission in its sole and absolute discretion.
