## ROLL CALL

Frank G. McCartney, Executive Director, in his capacity as Secretary for this Meeting, called the Roll, and at the conclusion thereof, reported that there was a quorum present--there being four Members present from Pennsylvania and four Members present from New Jersey.

## WELCOMING REMARKS OF CHAIRMAN

Chairman DeGerolamo welcomed those persons whose identities are set forth hereinabove under "Appearances".

Chairman DeGerolamo then said:

*"I just want to take a minute, and I wanted to congratulate Vice Chairman Robin Wiessmann on her confirmation as the Pennsylvania State Treasurer and her Swearing in tomorrow evening. It is an honor to actually serve on this Commission with Ms. Wiessmann. It is an unbelievable opportunity for her. On behalf of this Commission, I think it is important to wish you success and luck. Obviously, you have the qualifications and skills to do what is best for the residents of the great Commonwealth of Pennsylvania. So we wish you success and congratulation in you endeavor."*

## INTRODUCE ANY COMMENTS FROM THE PUBLIC

Chairman DeGerolamo addressed the meeting and invited any comments from the Public or Press on items pertaining to today's Agenda.

## EXECUTIVE DIRECTOR'S REPORT

# **DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION**

**Meeting of May 21, 2007**

## **TOLL ADJUSTMENT**

As you know, at our last meeting you voted to adjust the toll rate for trucks with three or more axles to ensure that the Commission could continue to move forward with our capital improvement program. That toll adjustment went into effect on Saturday night and adjusts truck tolls by 50 cents per axle.

The adjustment had been anticipated since 2003 and is in keeping with the Commission's 2003 capital improvement plan.

Toll rates remain the same for automobiles. Even with the adjustment the Commission's rates remain significantly lower than every other bridge crossing the Delaware.

The Commission has posted the new rates on its website and will be performing a number of outreach efforts to make its customers aware of the toll adjustment.

## **CAPITAL PROGRAM UPDATE**

Later in today's meeting, our chief engineer will be providing you with an update on some of the major projects in our capital improvement program, but I wanted to highlight a few items as part of my report.

Over the course of the past month, the Commission has provided public briefings in Ewing Township and Lower Makefield on the status of the Scudder Falls Bridge rehabilitation project. As part of those briefings, the Commission discussed its preferred alternative and improvement options that remain under consideration. We also identified areas where noise abatement is warranted, feasible and reasonable based on PennDOT and NJDOT noise abatement criteria. Open houses and a public hearing will be held in early Fall to obtain comments on the environmental documentation for the project.

We are encouraging community members to visit our website at [www.scudderfallsbridge.com](http://www.scudderfallsbridge.com) or call the project hotline at 1-800-879-0859 for the most up-to-date information about the project.

While we're on the topic of Scudder Falls, many of you may have seen road construction signs and VMS boards announcing road work on I-95 in the vicinity of the bridge. NJDOT is repaving about 10 miles of the highway from the end of our jurisdiction up to the Route I interchange in New Jersey. We are coordinating with NJDOT. The work is being performed at night, and is not expected to impact bridge traffic during peak periods.

## **CENTRE BRIDGE-STOCKTON UPDATE**

Finally, I am happy to announce that the Centre Bridge-Stockton Toll Supported Bridge reopened on Friday, bringing an end to the weekday closures that were in place since the project started in January.

The Commission promised to open the bridge by the summer tourist season, and we kept that promise. Our project team has done an excellent job keeping the construction on schedule.

# DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

## Meeting of May 21, 2007

I thank our community partners for their patience during the construction and look forward to joining them for a rededication ceremony later this summer.

### **I-80 RESURFACING**

At our last meeting you voted to authorize me to execute a Reimbursement Agreement with NJDOT to make certain roadway resurfacing improvements within the Commission's New Jersey approach to the Delaware Water Gap. I am happy to inform you that construction along the eastbound roadway has already commenced.
