Dan DiPoalo, KS Engineering,

ROLL CALL

Joseph Resta, Executive Director, in his capacity as Secretary for this Meeting called the roll, and at the conclusion thereof, reported that there was a quorum present-there being four members present from the Commonwealth of Pennsylvania and five members present from the State of New Jersey.

WELCOMING REMARKS OF CHAIRMAN

Chairman DeGerolamo welcomed those persons whose identities are set forth hereinabove under "Appearances".

INTRODUCE ANY COMMENTS FROM THE PUBLIC

Chairman DeGerolamo addressed the meeting and invited any comments from the public on items pertaining to today's Agenda.

EXECUTIVE DIRECTOR'S REPORT

Joseph Resta, Executive Director, addressed the meeting and said;

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

"Thank you, Mr. Chairman, we are approaching the close of the construction season and the onset of the annual draft budget preparation and review process, this will be the focus of today's remarks.

Good news to relay with the rehabilitation project at our Easton-Phillipsburg Toll Bridge, the work has progressed to the point where we may soon be able to announce that round-the-clock lane and ramp closures may be lifted in advance of the Thanksgiving holiday weekend. Also, the contractor – J.D. Eckman, Inc. – has consistently managed to meet or beat previous project deadlines. If all goes as planned, the project's current lane and ramp closures could be rescinded almost a month before the original mid-December target date. All that would be left would be intermittent short-term off-peak lane or ramp closures that may be needed to carry out remaining construction tasks and punch-list items by Spring 2015.

We're also nearing substantial completion on the repair and improvement project at the roadway approaches and ramps in the vicinity of the Trenton-Morrisville Toll Bridge. The last ramp closures for this project are expected to occur this week and the project remains on track to reach substantial completion by Friday (October 31). Weather permitting, we are looking at meeting or beating the project's final completion target date by two weeks.

Moving from projects to budgets, we are kicking off the review process for the draft 2015 operating and capital budgets, and, as I have done in the past, please let me thank Commissioners for their unpaid service, which is exacerbated during the budget cycle with the significant amount of data provided for the painstaking process of review, comment, and subsequent approval. We will be distributing draft operating budgets to Commissioners today followed by capital budgets later in the week, with Commissioner distributions completed electronically online, or in a paper format upon request, the intent is to have further review and discussion on the budgets through November, anticipating budget passage at December's meeting. Incorporated into the draft budget submission, in keeping with other departmental reorganization plans that we have carried out through 2014, are plans for the reorganization and revitalization of both our Security, Safety and Training and Electronic Security and Surveillance Departments. Also included in the draft Operating Budget submission are the restoration of Step Increases and the inclusion of a Cost of Living Adjustment for our employees. We have been unsuccessful in past years in convincing the Authorities Unit that the lack of increases, now entering its fifth year, have had progressive negative and punitive effects on our employees and this Commission, and are hopeful that this budget cycle produces a favorable outcome.

In closing today, we have invited former Commissioner Ed Smith back today to be formally recognized for his three-year term of service on this Commission, we have prepared a resolution, a ceremonial plaque and a very special cake to mark the

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

occasion. Commissioner Smith, insistently, sometimes aggravatingly, but always consistently open, honest, and direct, served this Commission and its toll payers with pride and deserves our collective thanks, on a more personal note, although Commissioner Smith and I may have approached certain issues from different perspectives, I am thankful that the spirited discourse allowed me the opportunity to build consensus where we needed it, and refocus our efforts to what is important and achievable. I simply would like to thank Ed for helping me to up my game.

Mr. Chairman, this concludes my remarks”

APPROVAL OF MINUTES FOR COMMISSION MEETING HELD SEPTEMBER 29, 2014

R: 2645-10-14- ADM-01-10-14

Chairman DeGerolamo addressed the meeting and requested the adoption of a Resolution approving the Minutes of the Commission Meeting held September 29, 2014.

At the conclusion of the review, Commissioner Muehlhan moved and Commissioner Laurenti seconded the adoption of the following Resolution:

"RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 27th day of October, 2014, that the Minutes of the Regular Commission Meeting held on September 27, 2014 be and the same hereby are approved.”

Chairman DeGerolamo then invited any further questions on the Resolution. No further questions were presented and the Resolution was unanimously adopted.

APPROVAL OF OPERATIONS REPORT FOR THE MONTH OF SEPTEMBER, 2014

R: 2646-10-14- ADM-02-10-14

Chairman DeGerolamo addressed the meeting and asked if there were any questions on any of the reports contained in the “Operations Report”.

At the conclusion of the review, Commissioner Muehlhan moved and Commissioner Laurenti seconded the adoption of the following Resolution:

"RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 27th day of October, 2014, that the Operations Report, which reflects Commission activity for the month of September are hereby approved.”

Chairman DeGerolamo invited questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

RENEWAL OF NEBCO RETIREE MEDICAL AND PRESCRIPTION INSURANCE

R: 2647-10-14- INS-01-10-14

Chairman DeGerolamo addressed the meeting and asked the Commission Members if, after there review, there were any questions.

At the conclusion of the review, Commissioner Stanley moved and Commissioner Grace seconded the adoption of the following Resolution:

"RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 27th day of October, 2014, that the Commission authorizes the Executive Director to effect the renewal of the current medical and prescription supplemental insurance plans provided through NEBCO with the new medical and prescription insurers United American for supplemental coverage to Medicare for eligible retirees and dependents who are sixty-five years and older. The coverage is to be provided at the current benefit levels on an insured premium basis at monthly rates of \$231.00 and \$239.00, for a total annual amount of \$1,043,400.00 respectively reflecting overall decrease of -6.2%, for the one year period January 1, 2015 through December 31, 2015."

Chairman DeGerolamo invited questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

BUILDING CONSTRUCTION MANAGEMENT SERVICES TASK ORDER AGREEMENT-PA ASSIGNMENT, CONTRACT NO. C-657A

R-2648-10-14 -ENG-01-10-14

Chairman DeGerolamo addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

At the conclusion of the review, Commissioner Uliana moved and Commissioner Hodas seconded the adoption of the following Resolution:

"RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 27th day of October 2014, via this resolution, awards Contract C-657A, Building Construction Management Services Task Order Agreement, to Joseph Jingoli & Sons, Inc. of Doylestown Pennsylvania for a twenty-four (24) month period with projects assigned on an as-needed basis for an amount not-to-exceed \$300,000; and

"RESOLVED, identify the General Reserve Fund as the source of funds required for payment of any invoices; and

"RESOLVED, the Executive Director is hereby authorized to approve and execute all necessary contracts on behalf of the DRJTBC."

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

Chairman DeGerolamo then invited questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

APPOINTMENT OF DENIS R. STITES, ESS SYSTEM MONITOR-ESS DEPARTMENT

R: 2649-10-14- PER-01-10-14

Chairman DeGerolamo addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

At the conclusion of the review, Commissioner Stanley moved and Commissioner Van Vliet seconded the adoption of the following Resolution:

“RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 27th day of October, 2014, via the resolution, authorizes the appointment of Denis R. Stites to the position of ESS System Monitor in the ESS Department with starting compensation set at \$37,321 per annum, which is the minimum step in the pay range for the ESS System Monitor position (\$37,321-\$46,974) pending satisfactory completion of the required personnel processing.”

Chairman DeGerolamo then invited questions on the Resolution. No questions were presented and the Resolution was unanimously adopted.

APPOINTMENT OF GARY A. LORENZO TO TOLL COLLECTOR-TRENTON-MORRISVILLE TOLL BRIDGE

R: 2650-10-14- PER-02-10-14

Chairman DeGerolamo addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

At the conclusion of the review, Commissioner Grace moved and Commissioner Hodas seconded the adoption of the following Resolution:

“RESOLVED, by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 27th day of October, 2014, via the resolution, authorizes the appointment of Gary A. Lorenzo to the position of Toll Collector at the Trenton-Morrisville Toll Bridge with starting compensation set at \$36,704 per annum, which is the minimum step in the pay range for the toll Collector position (\$36,704-\$46,846), pending satisfactory completion of the required personnel processing.”

“RESOLVED: identifying the Operating Fund as the source of funds required for any and all disbursements.”

Chairman DeGerolamo invited questions on the Resolution. No questions were presented and the Resolution was adopted

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

RESOLUTION OF THE COMMISSIONERS- FORMER COMMISSION MEMBER FROM THE STATE OF NEW JERSEY-EDWARD J. SMITH

R: 2657-10-14- ADM -03-10-14

Chairman DeGerolamo addressed the Meeting and asked the Commission Members if, after their review, there were any questions.

At the conclusion of the review, Commissioner Muehlhan moved and Commissioner Hodas seconded the adoption of the following Resolution:

“WHEREAS, the Delaware River Joint Toll Bridge Commission is a bistate transportation agency serving a 140-mile jurisdiction from the Philadelphia/Bucks County line in the south to the New Jersey/New York boundary in the north; and

“WHEREAS, the Commission fills an important regional customer-service function through its responsibility of providing for the safe and efficient passage of motor vehicles and pedestrians via a network of bridges, roadways and transportation support facilities connecting the states of New Jersey and Pennsylvania across the Delaware River; and

“WHEREAS, Edward J. Smith, a highly esteemed advocate for the accountability of public funds, served with distinction on the board of directors for the Delaware River Joint Toll Bridge Commission from July 25, 2011 to September 24, 2014; and

“WHEREAS, he joined the Commission after proudly serving his state as an aide and chief of staff in the New Jersey Legislature; and

“WHEREAS, Edward J. Smith also worked for 30 years in the private sector as a professional photographer, as the president and manager of his family’s business, and as a consultant; and

“WHEREAS, he attained an FAA private pilot certificate with an instrument rating and is the inventor of U.S. Patent No. 5,573,290; and

“WHEREAS, Edward J. Smith energetically exercised his statutorily prescribed responsibilities as a DRJTBC Commissioner representing the State of New Jersey; and

“WHEREAS, he successfully championed changes in the Commission’s procedures for conducting committee meetings; and

“WHEREAS, Edward J. Smith chaired the Professional Services Committee and also served on the Finance, Insurance, Management & Operations Committee, the Audit Committee, and the Selection Committee; and

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

“WHEREAS, he regularly provided insights and perspectives on administrative, fiscal, legal, operational, and capital-project issues; and

“WHEREAS, he recognized and appreciated the efforts of Commission employees and steadfastly sought to improve their working conditions and remuneration; and

“WHEREAS, Edward J. Smith has earned the respect and admiration of Commissioners, executives, managers, and staff at the Delaware River Joint Toll Bridge Commission; now, therefore,

“BE IT RESOLVED, by the Delaware River Joint Toll Bridge Commission assembled for a Meeting at New Hope, Pennsylvania this 27th day of October 2014: That this Commission hereby Congratulates the Honorable Edward J. Smith Commends his three years of dedication and service to the Commission and extends its best wishes for continued success as Director of the Warren County Board of Chosen Freeholders; and

“BE IT FURTHER RESOLVED, That this Resolution be included in the Minutes of this Meeting and a duly authenticated ceremonial copy be transmitted to Edward J. Smith.

Chairman DeGerolamo invited questions on the Resolution. No questions were presented and the Resolution was adopted

Chairman DeGerolamo addressed the meeting and said:

“Now we'll move onto the presentation of the former commissioner of New Jersey, Ed Smith. And before we bring Ed up, I would just reiterate a couple of things that Joe Resta, Executive Director Resta had mentioned.”

“Obviously, being a New Jersey commissioner, Ed and I had many conversations. And although there were times when the debates seemed heated or the conversation was difficult, the reality is, Ed always had a very well-positioned philosophy, ideology and thought process behind what he was trying to communicate to all of us. And I think probably the biggest accomplishment, and probably the best accomplishment that Ed brought forward to this Commission, was what we discussed every meeting as we moved forward with the Scudder Falls project and the self-sustainability of that project on the revenue that are collected. It wasn't necessarily something that was really thought about. We normally think of things as a commission-wide system. But Ed brought to the table a discussion that was very fruitful, and at the end of the day Ed walks away from this Commission knowing that he had an impact in that. When the Scudders Falls project moves forward, as it is today, the self-sustainability will be something that he will be able to hang his hat on for many, many years to come. And as a matter of fact, I think it is in theory the way in some respects when we look in the future at the replacement of other bridges in other districts, the self-sustainability of those

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

projects on their own per the district that they're in will probably be a way that it'll be looked upon to protect the commuters in different districts for the expenses relative to districts outside of their area. So, we could say what we want, and we have moments that we joke, and the reality is, we have moments when we have a heated debate. But at the end of the day, Commissioner Smith and everyone at this table always shook hands, parted ways, came back the next month and had a very good meeting in communicating what needed to be done. So Ed, from where I sit and from the bottom of my heart, I thank you for everything you've brought to this Commission."

At this point Chairman DeGerolamo opened up the meeting for any comments from the Commission Members.

Commissioner Laurenti addressed the meeting and said:

"So I would like to commend Commissioner Smith, who I often referred to behind closed doors as the commissioner to my right in more ways than one, for his consistent, and that's a word that we all talk about here, focus on the prudent and fiscal responsible use of Commission funds on behalf of the public. It's been a pleasure, Ed."

Commissioner Muehlhan addressed the meeting and said:

"Commissioner Smith is one of the first people that I met when I came on the Commission. And I found out that we were neighbors only separated by a river, but we shared a common desire to make sure that District III recieved its proper recognition and also that we did not have to pay for more than we should down river. I got to know Ed. I consider him a friend. I respect him. I don't always agree with him, but he's an honest straightforward guy, and in my mind the model of an elected public servant. And a statesman, not a politician. So I think I'm better off for my friendship with Ed, and certainly District III is. Again, Ed, thank you very much for all you've done for the Commission and also for being my friend."

Commissioner Stanley addressed the meeting and said;

"Well, I came aboard at the same time as Commissioner Smith. And, in fact, we were even interviewed at the same time as part of the process. And I just have enjoyed his insights and the experience that he's brought here have been I thought also a terrific addition to the discussion. And certainly the energy, which apparently some people thought was more energetic than needed to be all the time, but I enjoyed the energy that was brought into the discussion. I thought his positions were well thought out and considerate of the people who used the bridges and the employees, and in the end the Commission itself. And I just enjoyed having his insights. And I shall miss them. And I enjoyed working with him as well. So I

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

look forward to of course working with the rest of you as we always have. But you've left an imprint, my friend. Thank you."

Vice Chairman Alfano addressed the meeting and said

"I apologize to Commissioner Smith that I cannot be there personally today. I did send him a note and I hope he received it. But I do want to thank you, because, you know, I don't know if it's my age or stage or profession, but I'm typically not used to having people disagree with me. I know that sounds incredibly arrogant, and I apologize, but it is. I have to tell you, because of your sincere and conscientious disagreements on positions, I actually learned a lot. And I think I learned a lot in a lot of areas in terms of consensus building, in terms of political outreach, in terms of finance, in terms of looking at things differently. And it was a tremendous experience for me, it was a real learning experience for me. And I think I'm first a better attorney, but I think more importantly I'm a better person because of it, and hopefully I'm a better commissioner as well. So thank you for putting up with me. I really appreciate it. It meant a lot."

Commissioner Van Vliet addressed the meeting and said:

"As Commissioner Smith's successor, I can't say replacement in the comments that have been here before, I don't think anyone can replace you on this board, I wish you all the best in the future. Being from Warren County, I'm following your exploits as a freeholder, and so far you've carried on the tradition. So I just want to wish you all the best in the future. So thank you for your service."

Commissioner Uliana addressed the meeting and said:

"Thank you for allowing me to be a friend. And we had a lot of lunches together and we got caught up on things. And I'd also like to say for the record that I probably may have, because of Commissioner Smith, earned a special place in my kid's history. Because when you got sworn in on January 1st, a couple of years ago on New Year's day, I made my two boys trudge out with me, as did Commissioner Stanley, I think his son came with him, to go out and to see his swearing in as a freeholder in Warren County, and I think that just proved to my kids that dad is really off his rocker, if you can go all the way out to Warren County for an event on January 1st. But thank you very much and I look forward to continuing our friendship."

Commissioner Grace addressed the meeting and said:

"David, I just want to say to Commissioner Smith that although we engaged in some very difficult arguments here, we always came to the right conclusion. But not only did we talk about the important things for the public, Ed had a simpler

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

side. And after we were all done with our arguments and discussions, we were able to stand around and talk about fishing or riding a motorcycle or putting the top down or whatever. So I just want to say thank you, Ed, because you've taught me both sides of what we should be doing here. So good luck in the future."

Chairman DeGerolamo addressed the meeting and said:

"Okay. Very good. What I'd like to do, we obviously have some things for you, Ed. And what I'd like to do is if you can actually come up, Commissioner Alfano isn't here, why don't you grab a seat in Commissioner Alfano's chair for a second. And I'd like to read this into the minutes of the meeting."

"At this time I'd actually like to open up the microphone, Ed, if you'd like to sit back down. I have a feeling you have a few comments you'd like to make, so the mic is yours."

Mr. Smith addressed the meeting and said:

"Thank you, Mr. Chairman, I just want to say that this has been a tremendous experience for me, at the risk of getting misty here. Learning about the bridges, this is a top notch professional organization. No difference of opinion ever left the level of professionalism. And I appreciate that. It's a challenge when you run out of time to do everything. And I had the blessing of a granddaughter. So I'm very pleased I've had the honor to serve with you all. Thank you for the resolution. And I appreciate your friendship. And I look forward to seeing you all. Thank you."

Commissioner Uliana addressed the meeting and said:

"Mr. Chairman, I would move that Commissioner Smith is allowed to sit in the seat for the rest of the meeting."

Chairman DeGerolamo said:

"Absolutely. As a matter of fact, we are going to also give former Commissioner Smith emeritus. Presented to Edward J. Smith, a New Jersey Commission member for the Delaware River Joint Toll Bridge Commission, in recognition of the outstanding contributions and advancing the Commission's programs for new and improved bridge facilities over the Delaware River between New Jersey and Pennsylvania, we present to you this plaque."

"And because you have a new granddaughter, if you ever need to stay up late at night, this is one heck of a coffee mug."

Mr. Smith said:

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

"I just have one other thing I'd like to say. The change here during my tenure, new leadership, almost an entire new Pennsylvania side, except for you, Gaetan, you hung in there, good for you. I just want to say that as we move forward and Scudder Falls becomes a reality, I appreciate the fact that that this Commission has taken a look at the impact that happens across the whole district. And it was definitely some interesting chats between the chairman and Joe. We went round and round on it. But I have really got to say that there is definitely the ability to build consensus, and I hope everybody remembers that as we move forward. And again, thank you again, Mr. Chairman."

INVITE ANY COMMENTS FROM PUBLIC

Chairman DeGerolamo addressed the meeting and invited any comments from the Public.

SCHEDULING OF THE NOVEMBER 24, 2014 MEETING

Chairman DeGerolamo addressed the Meeting and stated that the Commission's next meeting will be held November 24, 2014.

The Meeting will be called to Order at 10:30 a.m. in the Boardroom at the New Hope Executive Offices, New Hope Pennsylvania 18938-9519.

Executive Director Resta assured the Commission Members that an "Official Notice of Meeting" would be forwarded to each and every Member of the Commission.

ADJOURNMENT

Chairman DeGerolamo invited a motion for Adjournment.

Commissioner Van Vliet then moved that the Meeting be adjourned and Commissioner Uliana seconded the motion. The voice vote was unanimously affirmative and the Meeting was adjourned at 11:15 a.m., Monday, October 27, 2014.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of October 27, 2014
TOLL TRAFFIC AND REVENUE STATISTICS (September, 2014)

Summary: The Commission experienced an increase in total toll revenue for September 2014 in comparison to the September 2013 traffic and revenue statistics. Total toll traffic also reflected an increase for the month of September. This is the sixth consecutive month that toll traffic has reflected an increase.

Analysis of September 2014 / September 2013 toll revenue data comparison:

- An overall toll revenue increase of 5.32 percent was recorded at the Commission's seven toll bridges for the month.
- Commercial-vehicle toll revenue reflected a 7.91 percent increase.
- Passenger-vehicle toll revenue generated a 1.50 percent decrease.

Analysis of September 2014 / September 2013 traffic data comparison:

- Total toll traffic increased by 17,702 vehicles, or 0.56 percent for the month.
- Commercial-vehicle traffic increased by 32,681 vehicles, or 7.77 percent.
- Passenger-vehicle toll traffic decreased by 14,979 vehicles, or 0.55 percent.
- Total recorded westbound traffic at the 11 vehicular toll supported bridges for September 2014 increased by 105,207 vehicles, or 4.20 percent as compared to September 2013. Average daily westbound traffic at these toll supported bridges for September 2014 was 87,142 vehicles as compared for 83,630 vehicles in September 2013.

Traffic analysis for 2014 YTD:

- Average daily toll traffic for the Commission's seven toll bridges for September 2014 was 105,158 total vehicles as compared to 104,568 total vehicles in September 2013. Total YTD toll traffic at these bridges is reflecting a 0.24% decrease through September as compared to the same nine-month period in 2013.
- Recorded westbound traffic on the 11 toll supported bridges is reflecting a 1.29% decrease through the first nine months of 2014 as compared to the same period in 2013.

DISTRICT REVIEW:

District 1

Total toll traffic at Trenton-Morrisville (TM) for September 2014 reflected a 2.52 percent increase when compared to September 2013 as the result of the increases of 10,296 cars and 6,515 trucks. At New Hope-Lambertville (NHL), increases of 517 cars and 462 trucks combined to generate an increase in total toll traffic of 0.58 percent for September 2014 as compared to September 2013.

District II

The I-78 Toll Bridge generated an increase of 1.77 percent in total toll traffic for the month of September 2014 compared to September 2013 as the result of the decrease of 1,151 cars and the increase of 17,506 trucks. At the Easton-Phillipsburg (EP) Toll Bridge, combined increases of 6,135 passenger vehicles and 932 trucks produced a 1.79 percent increase in total toll traffic for September 2014. *(It should be noted that the construction related to the Toll Bridge Rehabilitation Project at the Easton-Phillipsburg Toll Bridge has resulted in lane closures and the diversion of traffic to the I78 Toll Bridge).*

District III

Portland-Columbia (PC) experienced a 0.99 percent increase in total toll traffic during September 2014 as a result of the decrease of 96 automobiles and the increase of 1,066 trucks compared to September 2013. At the Delaware Water Gap (DWG) Toll Bridge, the decrease of 8,659 passenger vehicles combined with the increase of 6,014 trucks to produce a 0.35 percent increase in total toll traffic for September 2014 as compared to September 2013. At Milford-Montague (MM), the decrease of 22,021 cars combined with the increase of 186 trucks to generate a decrease of 16.93 percent in total toll traffic for the month of September 2014.

E-ZPass Penetration Rates

The table below provides a comparison of the E-ZPass penetration rates for the Commission's seven (7) toll bridges for the months of September, 2014 and September, 2013, and the year-to-date periods ending September 30, 2014 and September 30, 2013.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

STATISTICAL SUMMARY OF EXPENDITURES

This includes reports entitled “**Budget vs Actual**” covering the month of September 2014 and the nine month year-to-date operations of fiscal year 2014 relative to Toll Bridges, Toll Supported Bridges and Administration departments.

Total expense plus encumbrance totaled \$3,902,346 for the month of September. For the 2014 fiscal year-to-date period, total expense plus encumbrances amounted to \$38,689,642 or 97.6% of the year-to-date operating budget.

Most of the expense line categories are within their line item budget except for the following; Regular Employee Wages, Part-Time Wages and Overtime Wages are currently running ahead of budget. Regular Salaries are \$91,000 or .70%, Part-time wages are \$79,000 or 26.6% and Overtime wages are \$21,000 or 8.5% over their respective year-to-date budgets due to less than anticipated vacancy rate and heavy use of Overtime during the winter snow season. Additionally, Business Insurance is \$68,000 or 3.5% over the year-to-date operating budget due to higher than anticipated rates for business insurance and a higher than budget Workers Compensation Retro payment for 2013. Professional Services are currently \$196,000 or 20.8% ahead of the YTD operating budget mainly due to higher than anticipates non-retainer Legal Fees, Investment Advisory fees and Engineering Specialized Staff expense. And EZPass operating expenses are running \$252,000 or 7.5% due to some duplication of payments resulting from the CSC conversion from ETCC to NJ Service center.

There were no unusual expenditures during the month of September

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27th, 2014

ADMINISTRATION

The following Pages reflect the reports on those items assigned to the Administration Department. Each item is reported separately and page numbered accordingly.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

PURCHASING REPORT INDEX

MONTH OF SEPTEMBER 2014

SUBJECT	DESCRIPTION	PAGE NUMBER
Purchasing	Monthly Purchasing Report Covering the Month of September, 2014	1-3
Purchasing	Supplemental Monthly Purchase Report Lessors, Maintenance and Service Contracts Expiring Between November 2014 and January 2015	4-11

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

MONTHLY PURCHASING REPORT

SEPTEMBER 2014

This report itemizes all orders for purchases made for the month of September 2014, showing the divisions chargeable for the expense and the source of authority for issuance of the purchase order. This authority is broken into three categories:

- (1) By authority of the Commission
- (2) By authority of the Executive Director or his designate
- (3) By authority of the Superintendent

The purchasing activities for the month culminated in the preparation and placement of 35 purchase orders in the total amount of \$92,234.61. To secure competitive prices on items being purchased, 46 price inquiries were sent out for 16 of the requisitions leading to purchase orders, an average of 2.87 per order ($46/16 = 2.87$).

Some of the larger procurements of over \$5,000.00 during the period are shown below:

- Two Purchase Orders were issued, for door replacements at the I-78 Welcome Center and the Trenton-Morrisville Toll Bridge Facility in the total amount of \$20,198.00.
- A Purchase Order was issued, for Verizon ESS WAN Services for the month of August 2014, in the total amount of \$14,469.32.
- A Purchase Order was issued, for the landscaping project at our Delaware Water Gap Facility, in the total amount of \$8,942.25.
- A Purchase Order was issued, in the total amount of \$6,850.00 for Weather Consultation and Alert Services for the period of December 1, 2013 through November 30, 2014.
- A Purchase Order was issued, in the total amount of \$5,922.00 for snow plow parts at the Trenton-Morrisville Facility.

In addition to the practices employed incidental to purchase of materials, etc., from vendors on a direct basis, the Commission also purchases via direct utilization of the purchasing processes of the State of New Jersey, the Commonwealth of Pennsylvania and other joint purchasing arrangements.

REPORT FOR THE E-ZPASS SYSTEM
SEPTEMBER 2014

E-ZPass Migrated Account and Transponder Information as reported by Xerox State and Local Solutions, Inc. (CSC/VPC Provider)

Total Number of Migrated DRJTBC and NJ CSC E-ZPass Accounts

Business Accounts	Private Accounts	Total Number of Migrated Accounts	Total Number of NJ CSC Active Accounts
1,654	77,339	78,993	2,439,519

Total Number of Migrated DRJTBC (029) Transponders and NJ CSC E-ZPass Transponders

Business Account Transponders	Private Account Transponders	Total Number of Migrated Transponders	Total Number of NJ CSC Active Transponders
9,228	131,323	140,551	4,856,437

The Commission will be able to identify 78,993 migrated accounts through a prefix account number (60000). This number will precede the 4-digit account assigned to these accounts. The prefix number was provided in order for the Commission to identify all migrated E-ZPass accounts.

ETC PROGRAM	Electronic Toll Collection Program Report	1-3

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of October 27, 2014

ELECTRONIC TOLL COLLECTION PROGRAM
MONTH OF SEPTEMBER 2014

The following items were recently initiated, accomplished or performed during the above noted month:

Activities for the In-Lane Toll System

1. Xerox continues to perform preventative maintenance for the electronic toll collection system and violation enforcement system. Xerox technicians have been focusing on adjusting the violation enforcement system cameras in an effort to improve image quality and reduce rejection rates.
2. The toll data from the conventional toll lanes is archived on a separate dedicated Commission database that is maintained by the IT Department. The data from the ORT lanes is currently not being displayed in the reports developed from this database. Commission Staff received a revised draft scope of work from Xerox to revise the reports and automate the transfer of the ORT data to this database and comments were submitted. Xerox is preparing a price proposal for this effort.
3. The Commission and Xerox executed a change order to increase processing time for a cash transaction in the conventional toll lanes. The transaction period will be open until the end of the vehicle reaches the overhead laser scanner. This will provide the toll collectors with additional time to press the toll paid button and reducing the number of false violations. Software coding was completed and the revision was tested in a lane at the New Hope – Lambertville Toll Bridge. Upon successful testing, the revised software was deployed to all conventional toll lanes and the violation filter was removed at the NJ CSC.
4. Commission staff is preparing a changer order with Xerox for continued operation/maintenance service for one (1) year as approved at the September 2014 Commission Meeting. Additionally, a separate agreement is being prepared for TransCore to maintain the software of the legacy toll system.
5. Xerox continues to acquire the annual 2014 spare parts/consumables as required by the purchase order that was issued by Commission Staff. An inspection of the spare parts was completed by Commission Staff.
6. Commission Staff and Xerox are preparing the 2015 annual spare parts budget.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of October 27, 2014

7. RK&K and Commission Staff kicked off this task order assignment for review of the Commission's existing toll collection manuals and the preparation of the Request for Proposal (RFP) for the next generation in-lane toll system. A meeting was facilitated for a high level review for the RK&K team to gain an understanding of current toll operations. A half day workshop is scheduled to discuss the existing system, likes and dislikes, plus functionality of the new system with Commission Staff and RK&K.

Activities for the E-ZPass Customer Service Center/Violation Processing Center

1. ETC is providing continued operation of the violation processing center on a month to month basis. This activity includes processing violations that have reached the collection agency.
2. Commission staff directed the New Jersey Customer Service Center to remove the violation filter as the revised in-lane toll system software was deployed to all conventional toll lanes. The revised software keeps the toll transaction open until the end of the vehicle passes beneath the overhead laser scanner, providing toll collectors with additional time to press the toll paid button for a cash transaction.

General Electronic Toll Collection Program Activities

1. Commission Staff participated in the IAG E-ZPass Policy and Screening Committee meetings.

CONTRACT COMPLIANCE REPORT

Month of September 2014

SUBJECT	DESCRIPTION	PAGE NUMBER
Contract Compliance Program Operations Report	Operations Report September 2014	1-5

Delaware River Joint Toll Bridge Commission

Meeting of October 27, 2014

CONTRACT COMPLIANCE REPORT

During the month of September 2014, the Contract Compliance Department (CCD) continued to take actions to acquire the tools necessary to monitor and report on the compliance of the IBE program. The CCD held a meeting with Executive Director Joseph Resta, Chief Administrative Officer Arnold Conoline, Deputy Executive Director of Operations Sean Hill, Chief Engineer Roy Little, and IT Director Mary Jane Hansen to discuss the different types of tools that may be available through QWIK, Inc. in order to efficiently interface with our existing MUNIS software. The CCD Director and CCD Manager held a subsequent meeting with Ms. Nancy Myers, President of Qwik, Inc. and IT Director Hansen to further identify and discuss the modules recommended by Qwik, Inc. that will best integrate with MUNIS and that would be most useful by the CCD.

The Department participated in a successful pre-proposal event with members of the Engineering Department for the Scudder Falls Bridge project design. The CCD interacted and provided the IBE informational brochures to all attendees interested in the project. Follow-up meetings were requested by a few companies to further discuss the IBE program. Both the primes and the IBEs demonstrated great interest in this new IBE program.

- ❖ The Contract Compliance Department completed and submitted its 2015 budget to the Finance Department.
- ❖ The CCD Director and Manager attended a pre-proposal coordination meeting for contract number C-660A Scudder Falls Bridge Replacement Final Design.
- ❖ The CCD Director and Manager attended an LCP Tracker training in Philadelphia about a software that can be utilized to track activities of primes and sub-consultants.
- ❖ The CCD Director and Manager attended an ARBTA webinar on disadvantaged businesses at the Trenton/Morrisville boardroom.
- ❖ The CCD Director attended the kick-off meeting for contract number C-627-2 for the I-78
- ❖ Maintenance Garage Construction project.
- ❖ The CCD Manager attended the pre-proposal meeting for contract number C-657A Buildings Construction Management Services Task Order Agreement.
- ❖ The CCD Manager attended the oral interview for contract number C-657A Buildings Construction Management Services Task Order Agreement.
- ❖ The CCD Manager provided Dewberry Engineering Consultant an overview of the Contract Compliance Program.

Delaware River Joint Toll Bridge Commission

Meeting of October 27, 2014

CONTRACT COMPLIANCE REPORT

- ❖ The total amount of contracts awarded under the Capital Program and having MWSBE requirements is seventy-eight (78); of that, forty-five (45) contracts have been completed to date and thirty-three (33) remain open for both programs (THIS EQUALS 78). One hundred thirty-one (131) Minority, Women, & Small Businesses will participate in the Commission's MWSBE Program.
- ❖ As of today, one (1) new contract has been awarded under the new CCP.
- ❖ The previous program included MBE/WBE/SBE and the goals were:
 - a. For Pennsylvania assigned Professional Services contracts the goals were 7% MBE and a 3% WBE goal.
 - b. For New Jersey-assigned Professional Services contracts the goal was 25% SBE.
 - c. For Professional Services contracts with no State assignment there was a 7% MBE goal, and a 3%WBE goal.
 - d. For Capital Plan Construction Contracts there was a 7% MBE goal and a 3%WBE goal.
- ❖ The new Contract Compliance target of 25% was effective July 1, 2014.
- ❖ Projects that are put out for bids after July 1, 2014 will fall into the new IBE status with a projected target to be or exceed 25% IBEs participation of the total project award amount.
- ❖ Contract Compliance Department continues to monitor, update and analyze the payments for the MWSBE program with the Commission's engineering contracts with prime consultants/contractors and their sub-consultants/subcontractors.
- ❖ The CCD is now monitoring the previous program M/W/SBE and the new target of 25% for all IBEs participation as well as attending relevant engineering meetings and doing outreach to various organizations to promote and enhance the participation of Prime Consultants and IBE sub-consultants as well as contractors and subcontractors.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of October 27, 2014

COMMUNICATIONS REPORT
September 2014

• **COMMISSION AWARENESS EFFORTS:**

200th Anniversary of New Hope-Lambertville Bridge Crossing – Worked with historical societies in New Hope and Lambertville to commemorate the 200th anniversary of the bridge crossing between the two communities. The first bridge – a covered wooden structure – opened September 12, 1824. A “Cheers to Our Bridge” open house was held at the Lambertville Station Inn and Restaurant on Saturday, September 13. Communications assisted in publicizing the event, provided talking points for guided bridge tours, assisted in staffing two tours, and arranged attendance by the grandson of the man who designed the current truss bridge constructed in 1904. The Commission provided attendees with a free commemorative booklet about the history of the bridge, replete with photographs. The event attracted roughly 150 people. The Commission was commended for its assistance in organizing the event and for its record of caring for the bridge and assisting the two host municipalities. The Commission also was mentioned in news articles preceding and following the event.

Easton-Phillipsburg Toll Bridge Rehabilitation Project – Continued to provide motorists with advance warning of ramp closures and travel pattern changes. A major initiative was raising awareness of the establishment of segregated single travel lanes along each direction of Route 22 in early September. This new travel pattern kicked off the last major work stage of the project, a development that garnered widespread media coverage including television, radio and newspapers.

Annual Report – Completed drafting of all written content for the Commission’s 2013 annual report. The report will feature the 75th anniversary of the Commission’s first toll bridge and the massive rehabilitation project that got underway at that facility last year. Other content will include individual articles on the various capital projects started or completed in 2013. Other items include the conveyance of Scudder Falls archaeological materials to the state museums, managerial and policy changes, a full list of individuals who served as Commissioners during the past 80 years.

Contract Compliance Brochure – Completed all final changes to the brochure for the Commission’s new Contract Compliance Program. A first printing of 500 copies was completed and the first brochures were distributed at the pre-proposal meeting for the Scudder Falls Replacement Bridge Project’s Final Design RFP in early September.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of October 27, 2014

- **MEDIA RELATIONS:**

Hot Topics: Route 611 ramp and underpass 5-week closures; Broad Street Pburg overnight alternating travel lane restriction; 1974 sinkhole on unopened portion of I-78 in Pohatcong; Scudder Falls Bridge pothole repairs; 200th anniversary bridge proclamation for Lambertville; Lambertville historical society's bridge anniversary open house commemoration; 15-minute traffic stoppages at NH-LTSB and R-BTSB for electronic monitor project load testing; Route 1 exit to Route 29 closure; PA legislature considers Sgt. Bill Cahir bridge naming proposal; Genesis Bicycles Shop bike to brunch ride; Heritage Center Theatre next to Calhoun St. Bridge; off-peak and overnight restrictions at NH-LTSB; honk horns on NH-LTSB's 200th anniversary; transition of bridge crossing from private to public ownership during 200 years of operation; paving work on PA approach to NH-L Toll Bridge; state line marking on NH-LTSB; E-PTB Rehabilitation Project progresses; Route 22 post-Labor Day commuting slows due to increased volume; new split traffic pattern at E-PTB; obituary of former Commission employee Dorothy Emily Busche.

- **COMMUNITY AFFAIRS:** (Please refer to Community Affairs report)

Easton-Phillipsburg Toll Bridge Rehabilitation Project Outreach: Reviewed/edited various travel-alert Twitter messages for commuters who use the Easton-Phillipsburg Toll Bridge.

- **CAPITAL IMPROVEMENT PROGRAM**

Trenton-Morrisville Approaches Project Contract – Drafted press releases/travel alerts to provide motorists with advance warning of off-peak and weekend ramp closures along Route 29 and Route 1 for the paving and improvement project on the approaches for the Trenton-Morrisville Toll Bridge.

Bridge Monitoring System Study for Select Vehicular Bridges Project – Announced off-peak and overnight travel restrictions for the New Hope-Lambertville and Riverton-Belvidere Toll Supported Bridges, where engineers and consultants would be assessing different kinds of electronic sensors to assess the long-term structural health of the agency's aging weight-restricted crossing.

- **WEBSITE**

Investors Page and IRMA Statement: Populated newly created Investor Information page on the website, which may be accessed from both the About Us and Doing Business drop-down menus. The page contains the Commission IRMA statement as well as links to other resources that may be of interest to the investment and rating communities: Financial Statements/Audits; Traffic Statistics; Traffic Engineering Report; Bridge Inspection Report; and the magazine-styled Annual Reports.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of October 27, 2014

Scudder Falls Bridge Replacement Design RFP Prioritization: Reorder icons in center column of homepage by moving the SFB project icon to the top and writing a teaser entry to ease consulting community access to the RFP. The project icon also was linked directly to the RFP instead of the separate, independent project website – www.scudderfallsbridge.com.

Easton-Phillipsburg Toll Bridge Rehabilitation Project: Updated information on the project page and the Commission's website home page.

Contract Compliance Program: Uploaded revised PDFs and information for the Contract Compliance webpage as per Roy Little and Julio Guridy. Established Word program files of program's various application forms; these will enable applicants to fill out forms on a computer and submit them via email.

INTERNAL/EXTERNAL COMMUNICATIONS

- A total of 12 press releases/travel alerts produced, distributed or posted to the website during the month. Topics not previously mentioned included lane closure and detour for paving work near the New Hope-Lambertville (Route 202) Toll Bridge, travel restrictions for pothole repairs on the Scudder Falls Bridge, alternating single-lane restrictions on Broad Street in Phillipsburg, and closure of Route 611 underpass at the Easton-Phillipsburg Toll Bridge.
- Recorded 12,905 sessions (visits) to Commission's website in September.
- Attended Greater Lehigh Valley Chamber of Commerce transportation committee meeting in Allentown, PA.
- Attended HART Commuter Information Services TWM meeting in Flemington, N.J.
- Attended SFB pre-proposal meeting and took photographs for possible use in 2014 annual report.
- Crafted, vetted and framed ceremonial resolutions for Lambertville and New Hope in recognition of their involvement and assistance with the operation of the bridge between their two communities during the past 200 years. Signed proclamations were presented to the respective governing bodies at their Sept. 16 meetings.
- Responded to Express-Times editor Tony Rhodin's inquiry regarding post-Labor Day traffic volumes.
- Provided responses to Doylestown Intelligencer reporter Freda Savana's inquiries concerning the dedication of the state line marking on the New Hope-Lambertville Bridge walkway and the electronic bridge monitoring project.
- Took and compiled various photographs for the historic booklet on the New Hope-Lambertville bridge crossing.
- Responded to various public inquiries concerning ramp closures in the vicinity of the Trenton-Morrisville Toll Bridge and diamond-grinding-related noise complaints at the Easton-Phillipsburg Toll Bridge.
- Assisted in the electronic distribution of event flyer for the Lambertville Historical Society's "Cheers for Our Bridge" event.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of October 27, 2014

- Posted independent auditor's RFP on website.
- Review executive director's talking points for SFP pre-proposal meeting.
- Met with former DRJTBC chairman John Fullam.
- Participated in planning-session phone call for October Delaware River Sojourn event in the Poconos.
- Secured participation of Martha Capwell Fox of the Lehigh-Delaware Canal Museum to present historic newsreel footage of Delaware River canoe enthusiast at October Sojourn event.
- Acquired directions for inputting/updating information on the I-95/Scudder Falls Bridge Improvement Project website for the purpose of overhauling the site later this year.
- Posted various NJ511 travel alerts for the paving improvement project in the vicinity of the T-MTB, the E-PTB rehabilitation, the electronic monitoring project traffic restrictions at the NH-LTSB and the R-BTSB, and pothole repairs at the Scudder Falls Bridge.
- Drafted, vetted, and framed resolution expressing Commission's remorse over slaying of Pennsylvania State Cpl. Bryon Dickson, whose service area included the Milford-Montague Toll Bridge.
- Coordinated with Phil Beachem of New Jersey Alliance for Action concerning executive director providing status update on the Scudder Falls Bridge Replacement Project in October.
- Secured limited publishing rights of bridge graphics produced by art designer Dennis Gerhart of Doylestown, PA.
- Scheduled and coordinated Commission meeting day photography sessions, yielding new Commissioners group shot and portrait of newly appointed New Jersey Commissioner Garrett L. Van Vliet.
- Discussed CAI grant program signs for Solebury Gateway Project with Solebury Township Manager Dennis Carney.
- Scheduled meeting for all applicable parties regarding thank-you-for-your-patience banner once E-PTB Rehabilitation Project long-term traffic restrictions end later this fall.
- Meet with John Bencivengo of IT to discuss next steps for website redesign/hosting RFP review and TEC recommendation.
- Draft ceremonial proclamation commemorating 200th anniversary of the Centre Bridge-Stockton Bridge crossing and record of coordination and partnership with host communities of Solebury Township and Stockton, N.J.
- Answered questions posed by New Hope News reporter June Portnoy and identified names of individuals in group shot at the NH-LTSB.
- Posted status update on website redesign procurement, directly spoke with various proposers who made phone inquiries, and provided e-mail updates to others
- Revised Commissioners webpage, removing former NJ Commissioner Ed Smith and adding new Commissioner Van Vliet. Worked with website consultant to make other changes to page.
- Edited Commissioner Van Vliet bio.
- Post addendum, response to inquiries, for Audit Services RFP.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

- Edited resolution for HART commuter information services.
- Made revisions and edits in Rich McClellan draft letter for potential contributors to time capsules at the NH-LTSB and CB-STSB.
- Provided taped interview to WRNJ radio news reporter Joyce Estey regarding E-PTB rehabilitation ramp and lane closures.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

COMMUNITY AFFAIRS REPORT

September 2014

The following activities under the general heading of community relations/governmental affairs were recently initiated, accomplished or performed:

- ❖ Easton-Phillipsburg Toll Bridge Rehabilitation Project
 - Continued to supervise the implementation of the Twitter account for this project, including the monitoring of followers and assumed responsibility for drafting of Twitter messages
 - Participated in project progress meetings
 - Conducted site visit for placement of a project “thank you” banner to bridge patrons
 - Submitted design for above fore mentioned banner
- ❖ T639A Trenton Morrisville Approach Project –
 - Participated in project progress meetings
 - Contacted local elected officials to advise them of project progress and upcoming detours and lane closures
- ❖ Provided background to senior staff on an application before the Solebury Township Zoning Board for a property adjacent to the Commission’s New Hope Lambertville Toll Bridge property.
- ❖ Advised via letter local elected officials and first responders in New Hope, Lambertville, Belvidere, Upper and Lower Mt. Bethel of the Commission’s C-556A Bridge Monitoring System Study and the impacts that the project would have on local traffic in their respective jurisdictions
- ❖ Began review of submissions from prospective providers for the redesign and operation of the Commission web site
- ❖ Provided a response to an inquiry from a member of the public for the status of the Scudder Falls Bridge Replacement Project
- ❖ With the assistance of the E-ZPass Department, resolved a request from the Township Manager of Solebury Township to address an E-ZPass billing issue.
- ❖ 200th Anniversary of the New Hope-Lambertville Toll-Supported Bridge –
 - Assisted Deputy Director of Communications in the preparation of a written history of the bridge
 - Provided cover design
 - Formatted and enhanced historical photos for inclusion in the history
 - Compiled the text and cover into a single PDF document and prepared same for printing

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

- Compiled research into manufacturers of time capsules and commemorative plaque costs and criteria for items to be placed in a time capsule to be placed in commemoration of the bridge anniversary

- ❖ Provided senior staff with notification of legislative actions in the PA and NJ legislatures on bills affecting the DRJTBC, including new provisions for professional engineer certification in Pa, DRBC “reform” legislation in PA and legislation to name the RT#22 Toll bridge as “Sergeant William John Cahir Memorial Bridge.”

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

TRENTON MORRISVILLE ADMINISTRATION BUILDING IMPROVEMENTS

SPACE PROGRAM AND CONCEPT STUDY

Task Order Assignment No. C-598B-3

This Task Order Assignment is for a Space Program and Concept Study for the Trenton Morrisville Toll Bridge Administration Building. The purpose of this assignment is to provide the Commission with guidance in enhancing operational efficiency and facility space utilization. The Space Program will include a detailed analysis of the current versus required space to support the Commission's current as well as the projected operational, administrative and maintenance needs at the T-M facility.

At the conclusion of the Space Program, a Concept Study Report will be prepared by the Consultant presenting adjacency diagrams and sketches to explain space relationships and space allocation using the existing and/or new space. Three (3) proposed alternatives will be identified by the Consultant for review and consideration by the Commission in selecting the preferred alternative to be advanced to Final Design under a separate procurement process. As part of each alternative, the mechanical, electrical, plumbing, and life and safety improvements will be presented. Also, Building Management Systems will be part of each design concept which will reduce building systems' energy use and benefit the Commission in a long-term energy cost saving.

A kick-off meeting was held with Gannet Fleming on February 25, 2014. The Consultant collected as-built drawings, and reviewed building systems deficiencies and improvement recommendations as presented under various recently completed concept studies. An executive staff work session was held on March 14, 2014. A Draft Space Program report was received on April 4, 2014 and a meeting was held with the Consultant on May 1 to share the Commission's comments.

Revised Space Utilization Report was received on June 30, 2014 for incorporation into a Draft Concept Study Report, and a meeting was held with the Consultant on July 8, 2014. Subsequent to this meeting and on August 13, 2014, the Commission asked Gannet Fleming to explore an additional fourth option to this Project for enhanced maintenance capabilities at the Trenton-Morrisville site.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

TRENTON-MORRISVILLE TOLL AND LOWER TRENTON TOLL-SUPPORTED BRIDGES APPROACH ROADWAYS IMPROVEMENTS

DESIGN Contract No. C-639A

Cherry, Weber and Associates, P.C. (CWA) was issued Notice of Award and Limited Notice to Proceed effective February 25, 2014. This contract is for the Scope Development, Preliminary and Final Design and Post-Design Services for work at both the Trenton-Morrisville Toll Bridge Approach Roadways and the Lower Trenton Toll-Supported Bridge Approach Roadways. The Preliminary and Final Design effort under this contract is developing two (2) separate construction contracts: T-639A Trenton-Morrisville Toll Bridge Approach Roadways Improvements which is presently under construction; and TS-639B Lower Trenton Toll-Supported Bridge Approach Roadways Improvements for construction in spring 2015. For Contract T-639A CWA is performing Post-Design Services, which includes reviewing submittals, responding to Requests for Information (RFIs) and participating in T-639A Progress and Schedule Meetings as needed. CWA continues to progress the Design for Contract TS-639B. Comments on Contract TS-639B's Preliminary Design Submission from both Commission and CPMC Staff were provided to CWA on September 17th.

TRENTON-MORRISVILLE TOLL BRIDGE APPROACH ROADWAYS IMPROVEMENTS

CONSTRUCTION Contract No. T-639A

Road-Con, Inc. (R-C) was awarded the construction contract at the Commission's June meeting; given the full Notice to Proceed on July 25, 2014; and mobilized and started field work on August 4th. Through September R-C: completed the Route 1 bridge deck, parapet and median barrier cleaning, sealing work, and spall repairs; replaced concrete patches on Ramp 'N'; performed Route 1 overpass bridges joint sealing, bridge expansion joint cleaning; cleared vegetation, and started paving various ramps in New Jersey and Pennsylvania including a short section of the Route 1 southbound roadway. Daily lane closures on Route 1 and the on/off ramps on both sides of the River Bridge have been implemented and will continue throughout the project which is expected to run into mid-November.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

CONSTRUCTION MANAGEMENT / CONSTRUCTION INSPECTION Task Order Assignment Contract No. C-627B-1

This is a Task Order Agreement Assignment to French & Parrello Associates (F&P) for inspection services associated with the T-639A Trenton-Morrisville Toll Bridge Approach Roadways Improvements Project. F&P was given a Notice to Proceed for this Task Order Assignment on July 31, 2014 and is currently providing a full-time inspector and a part-time scheduler to assist the Resident Engineer from AECOM's CPMC in providing CM/CI over sight of the construction project.

PRELIMINARY ENGINEERING AND ENVIRONMENTAL DOCUMENTATION FOR I-95/SCUDDER FALLS TOLL SUPPORTED BRIDGE

STUDY Contract No. C-393A

On June 14, 2012 FHWA issued the NEPA decision of a "Finding of No Significant Impact" (FONSI) for the I-95/Scudder Falls Bridge Improvement Project in Bucks County, Pennsylvania and Mercer County in New Jersey. This is a determination that the proposed action will have no significant impact on the human environment.

This completes the Preliminary Design and Environmental Documentation Phase of the I-95/Scudder Falls Bridge Improvement Project. AECOM is continuing further work efforts for the I-95/Scudder Falls Bridge Improvement Project under various Task Order Assignments associated with Contract C-502A Capital Program Management Consultant & I-95/Scudder Falls TS Bridge Improvement Design Management Consultant Professional Services.

FINANCIAL/LEGAL ADVISORY SERVICES FOR A P3 FOR SCUDDER FALLS BRIDGE REPLACEMENT PROJECT

STUDY Contract No. C-393G-1R

The Commission's Financial/Legal Advisory Services consultant, KPMG/Nossaman, completed their analysis of the P3 project delivery method on schedule, and presented their preliminary findings to the Commission in November 2011. The decision was made in July 2014 to move forward with the SFB Project under the Design-Bid-Build project delivery method. This contract will now be closed out.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

CAPITAL PROGRAM MANAGEMENT CONSULTANT (CPMC) & DESIGN MANAGEMENT CONSULTANT (DMC) SERVICES FOR THE I-95/SCUDDER FALLS BRIDGE IMPROVEMENT PROJECT

CPMC SERVICES – YEAR 2014

Task Order Assignment No. C-502A-1I

The Capital Program Management Consultant (CPMC) services are being continued under this Task Order Assignment, which began in March 2014. AECOM is providing one (1) full-time Project Manager and one (1) full-time Program Area Manager to oversee and manage various design and construction projects that are being advanced in the Capital Improvement Program. CPMC Staff have been providing management oversight of the SFB Deck Evaluation Study and the Final Design of the Trenton-Morrisville Toll and Lower Trenton Toll-Supported Bridges Approach Roadway Improvements, as well as Contract C-566A, Final Design of the Portland – Columbia Toll Bridge Approach Roadway Improvements. CPMC Staff are also currently providing Resident Engineer (RE) oversight of the T-639A, Trenton – Morrisville Toll Bridge Approach Roadway Improvements Contract. The CPMC has also been providing management oversight of Task Order Assignment for the C-627A, District 3 Standby Generator Study, which was authorized on June 27, 2014. AECOM staff are currently providing support services for the development of the Commission's Capital Plan and Program update.

DMC ADVANCED ENGINEERING SERVICES FOR PRIORITY ITEMS OF WORK

Task Order Assignment No. C-502A-2D

The AECOM team continued to perform **Public Involvement** activities with the monitoring of the Project Hotline.

The **Right of Way (ROW)** impacts to adjacent property owners have been reassessed for the proposed project, based on the final grading and drainage plan detail that has been developed. Updated draft ROW Plans for the Pennsylvania section of the project have been submitted and have been reviewed by Engineering. The process for moving forward with the ROW acquisition process, including property owner outreach and Legal Counsel involvement, is currently being planned internally by Commission staff. ROW efforts involving Commission legal review and property-owner outreach have been on hold pending a decision on the project delivery method to be followed for the project. Now that the decision has been made to move forward with the Design-Bid-Build process, the schedule for moving forward with the ROW acquisition process is being prepared.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

DMC SERVICES – YEAR 2013 Task Order Assignment No. C-502A-2F

AECOM's Design Management Consultant (DMC) Services continued through 2013 and into 2014 under this Task order Assignment (TOA), to advance the Scudder Falls Bridge Improvement Project. AECOM continued their management services for: the public involvement program; the environmental permitting effort; and the ROW plan development efforts. Additional efforts under this TOA include establishing the PennDOT Inter-Governmental Agreement and NJDOT Memorandum of Agreement (MOA); establishing the MOA with NJDEP-Green Acres/NJDOT/Delaware & Raritan Canal Commission/NJ Water Supply Authority for the NJ Pedestrian/Bicycle Facility; and, coordination and support in advancing the project into final design and construction via the RFQ/RFP design procurement process.

Environmental permitting agency coordination continues as well as preparation of the USACE and PADEP permit application packages, including all back-up documentation. Coordination continues with the NJDOT Right-of-Way Unit regarding NJDOT input on existing easement language for the I-95 and Route 29 bridge structures over the D&R Canal. The NJDEP Green Acres Parkland Diversion involves an expansion of the existing easement over the D&R Canal and the permit process requires the Project Team to develop language for the existing easement because copies of the existing easement cannot be located within the State's archives.

The RFP for final design services was finalized and posted on the Commission's website on August 20, 2014. A Pre-Proposal Meeting was held on September 10, 2014. AECOM is maintaining an FTP website containing existing SFB plans, and Preliminary Design and Environmental Documents for the SFB Replacement Project. Upon request Professional Services Consultants may request the site access information, and can subsequently download any or all of the documents on the site. Responses to RFP questions submitted by the Consultants are currently being prepared. An addendum to the RFP was issued October 8th addressing all questions received and provides necessary clarifications/revisions to the RFP. Final technical proposals are scheduled to be submitted on October 30, 2014.

I-95/SCUDDER FALLS BRIDGE DECK CONDITION SURVEY

Deck Condition Survey Task Order Assignment No. C-599A-6

Under this Task Order Assignment (TOA) the Consultant, McCormick Taylor (MT), performed a bridge deck condition assessment of the Scudder Falls Bridge. MT submitted the Final Report on June 23rd, which was found acceptable by Commission and CPMC Staff.

SCUDDER FALLS BRIDGE INTERIM DECK REPAIRS

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

Task Order Assignment No. C-628A-2

Under this Task Order Assignment the Consultant, Dewberry Engineers Inc., will prepare plans for a contract to do deck repairs on the Scudder Falls Bridge. The existing deck is deteriorating and needs to be rehabilitated to provide a satisfactory riding surface until the new bridge is constructed. The purpose of this task order is prepare plans for a deck patching contract to be awarded in the spring of 2015; and then have the Contractor retained on an if and where needed basis for the following two (2) years to repairs new potholes as they develop. The Commission will also have an additional one (1) year option with the Contractor for the deck repairs. Dewberry Engineers was issued a Notice to Proceed effective September 2, 2014. A kick-off meeting was held September 16, 2014. Consultant is preparing 60% plans.

NEW HOPE TOLL SUPPORTED BRIDGE

FIRE HOUSE CONDITION ASSESSMENT

Task Order Assignment No. C-598B-5

This Task Order Assignment is for a Condition Assessment of the former New Hope Fire House located in New Hope Historic District, within the Commission property next to the New Hope Toll Supported Bridge Officer shelter. This building is currently being used by Commission staff for light equipment & material storage space.

A kick-off Meeting was held on May 1, 2014, and the Consultant is currently gathering as built and survey information of the site. Building inspection was concluded on June 20, 2014, property Appraisal, Environmental Screening and Draft Condition Assessment Report was received on August 5, 2014. Consultant presented the report on August 19, 2014 and comments were shared with the Consultant.

A Draft Final Report was received on September 25 and is currently being reviewed by the Commission prior to issuing the Final Report.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

**Meeting of October 27, 2014
PROJECT STATUS REPORT**

NEW HOPE-LAMBERTVILLE TOLL BRIDGE PAVEMENT REHABILITATION & APPROACH BRIDGES REPAIRS

DESIGN

Contract No. C-543A

Cherry, Weber and Associates (CWA) completed their post-design services phase of their contract in September. Once their final invoice is submitted and processed their contract will be closed.

CONSTRUCTION MANAGEMENT / CONSTRUCTION INSPECTION

Contract No. CM-543A

Johnson, Mirmiran & Thompson, Inc. (JMT) concluded their field inspection services in January. AECOM's CPMC Project Manager/Resident Engineer is overseeing the completion of the remaining punch list repair items which concluded on September 11th. JMT final invoice is being processed and once paid the closeout contract modification will be processed and the contract closed.

CONSTRUCTION

Contract No. T-543A

James D. Morrissey, Inc. (JDM) completed the remaining asphalt punch-list repair items on Route 202 on September 11th. The contract closeout change order and final invoice are being developed, and once approved the final invoice will be processed and the contract closed.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

NEW HOPE-LAMBERTVILLE TOLL BRIDGE PIN AND HANGER EVALUATION AND IMPROVEMENT STUDY

Task Order Assignment No. C-628B-2

The Consultant, The Louis Berger Group, was given notice to proceed on August 15, 2014 and a kick-off meeting was held on August 20, 2014. This Task Order Assignment is to evaluate the condition of the pin and hangers on the New Hope-Lambertville Toll Bridge by doing ultrasonic testing of the pins and non-destructive testing of the hangers. The purpose of this assignment is to check the condition of the pin and hangers to make sure they are functioning as intended. Field work began on September 15, 2014 and was completed that week. Because of access problems, difficulty removing pin covers and the concern of damaging the pins in the removal process it was decided to do a sampling of the pins. No defects were observed in the tested pins. All hangers were inspected. The Consultant is preparing a draft report.

I-78 TOLL BRIDGE PA APPROACH PAVING IMPROVEMENTS

CONSTRUCTION MANAGEMENT / CONSTRUCTION INSPECTION Contract No. CM-506A

Both the final contract modification and contract final invoice have been processed and this contract is closed.

CONSTRUCTION Contract No. T-506A

HRI Infrastructure of State College, PA completed construction on I-78 on August 27, 2013. The final construction Unforeseen Allowance Reduction Numbers 2 & 3 and the Final Close-out Change Order have all been fully executed. HRI's final pay estimate is being processed and once paid this contract will be closed.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

I-78 TOLL BRIDGE MAINTENANCE GARAGE

SPACE PROGRAM AND CONCEPT STUDY Task Order Assignment No. C-627A-2

This Task Order Assignment is for a Space Program and Concept Study for the I-78 Toll Bridge Maintenance Garage. The purpose of this assignment is to provide the Commission with guidance in enhancing operational efficiency and facility space utilization. The Space Program will include a detailed analysis of the current versus required space to support the Commission's current as well as the projected operational, and maintenance needs at the facility.

At the conclusion of the Space Program, a Concept Study Report will be prepared to include three (3) proposed alternatives for review and consideration by the Commission in selecting the preferred alternative to be advanced to Final Design under a separate procurement process. As part of each alternative, the mechanical, electrical, plumbing, and life and safety improvements will be presented. Also, Building Management Systems will be part of each design concept which will reduce building systems' energy use and benefit the Commission in a long-term energy cost saving.

A kick-off meeting was held with Buchart Horn, Inc. / BASCO Associates on September 8, 2014. The Consultant is currently collecting as-builts drawings, and reviewing existing building and site constraints. Executive staff work session is

A draft Space Program report is anticipated to be received by October 2014.

EASTON-PHILLIPSBURG TOLL BRIDGE REHABILITATION, PRELIMINARY, FINAL & POST DESIGN SERVICES

DESIGN Contract No. C-437B

This project was awarded to Parsons Brinckerhoff (PB) at the February 28, 2012 Commission meeting. PB provided the Commission their final design submission on February 22, 2013. Construction bids were received on April 11, 2013. PB continues to provide post-design services and regularly attends project progress meetings.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

CONSTRUCTION MANAGEMENT Contract No. CM-437A

This project was awarded to Greenman-Pedersen, Inc (GPI) at the April 29, 2013 Commission meeting. GPI was provided with a Notice to Proceed on May 30, 2013 and has participated in pre-activity and progress meetings since the start of construction. GPI is currently providing construction management and inspection staff on-site to monitor the contractor's progress.

CONSTRUCTION Contract No. T-437A

J.D. Eckman, Inc. (JDE) was awarded this construction contract at the Commission's April 29, 2013 meeting. JDE was provided a Notice of Award/Limited Notice-to-Proceed the following day and issued a Notice to Proceed effective May 29, 2013. JDE has participated in pre-activity and progress meetings since the start of construction in June 2013. JDE completed a major construction stage on December 12, 2013, slightly ahead of schedule. All lanes on the roadway were open to traffic during the winter work shutdown period. Traffic restricting staged construction was reintroduced on March 5, 2014 and in early September JDE entered into the last major construction stage which should last until late fall. Work is currently progressing on schedule.

EASTON-PHILLIPSBURG TOLL SUPPORTED BRIDGE

RAMP C SLOPE STABILIZATION CONCEPT STUDY Task Order Assignment No. C-628B-1

This Task Order Assignment is to perform an evaluation of the site for slope stabilization efforts and to identify short term and long term repair options that would reinforce and stabilize the rock side slope at this section of roadway.

Field assessments were performed in June and a draft concept study report submitted in July. Comments have been generated and shared with the Consultant. The Commission is reviewing the revised report.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

PORTLAND-COLUMBIA TOLL BRIDGE APPROACH ROADWAY IMPROVEMENTS

DESIGN CONTRACT NO. C-566A

Greenman-Pederson, Incorporated (GPI) was issued Notice of Award and Limited Notice to Proceed effective July 1, 2014. This contract is for the Scope Development, Preliminary and Final Design and Post-Design Services for improvements to both the Pennsylvania and New Jersey approach roadways and ramps at this facility; work adjacent to the toll plaza; and, on the top side of the bridge decks of the main river bridge, the Route 94 bridge over US Route 46, and the Locust Street Bridge. GPI submitted the Final Scope Development Report on September 10th and was subsequently reviewed by both Commission and CPMC Staff and found acceptable. GPI will now progress into Preliminary and Final Design.

VARIOUS BRIDGES

GUSSET PLATE ANALYSIS AND IMPROVEMENT STUDY Task Order Assignment No. C-598B-4

This Task Order Assignment is phase 2 of the effort to perform analysis of gusset plates at 7 structures as necessary to meet current FHWA and PennDOT requirements. The first phase of analysis was previously completed by Gannett Fleming for 3 of the Commission's structures (Centre Bridge-Stockton, Riverton-Belvidere and Washington Crossing). This assignment includes performing an updated evaluation based on recent inspection data gathered during this year's GEC bridge inspection. In addition, gusset plate analysis for 3 additional Toll Supported Bridges (Lower Trenton, Uhlerstown-Frenchtown, Upper Black Eddy-Milford) and Milford-Montague Toll Bridge is included as part of the work under this Task Order Assignment.

Analysis was performed by the Consultant and a draft report was submitted in June. Comments have been generated and shared with the Consultant. The Commission is reviewing the revised report.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

DISTRICT 3 TOLL FACILITIES EMERGENCY STANDBY GENERATOR STUDY

Standby Generator Study Task Order Assignment No. C-627A-1

Under this Task Order Assignment the Consultant, Buchart Horn, Inc./BASCO Associates (BH-BA) is performing a study of the existing Standby Generators and entire electrical systems at each of the three District 3 Toll Facilities (PCTB, DWGTB and MMTB) and developing recommendations for placing each of these facilities completely on Standby generators. BH-BA was issued a Notice to Proceed effective July 2, 2014. BH-BA's Draft Study Report was submitted on August 29th and comments provided to them on the Draft Study Report from both Commission and CPMC Staff on September 12th.

ELECTRONIC SURVEILLANCE / DETECTION SYSTEM

RFP DEVELOPMENT, PROCUREMENT SUPPORT AND TRANSITION SERVICES Task Order Assignment No. C-539A-5

URS Corporation continued to provide the Commission with technical support with regard to transitioning maintenance services for the Electronic Surveillance / Detection System to Schneider Electric Building Americas, Inc.

ESS MAINTENANCE CONTRACT Contract No. DB-575A

Schneider Electric Building Americas, Inc. continues to provide maintenance services in support of the Electronic Surveillance / Detection System under the direction of the Commission's Electronic Security and Surveillance Staff, who operate the system from the Primary Control Center located at the New Jersey State Police's Regional Operation and Information Center (ROIC) in West Trenton, New Jersey.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

ELECTRONIC TOLL COLLECTION SYSTEM DESIGN-BUILD Contract No. DB-427

In-Lane Toll System Design-Build-Maintain Project TO-427C

Xerox continues to perform preventative maintenance for the electronic toll collection system and violation enforcement system. Xerox technicians have been focusing on adjusting the violation enforcement system cameras in an effort to improve image quality and reduce rejection rates.

The toll data from the conventional toll lanes is archived on a separate dedicated Commission database that is maintained by the IT Department. The data from the ORT lanes is currently not being displayed in the reports developed from this database. Commission Staff received a revised draft scope of work from Xerox to revise the reports and automate the transfer of the ORT data to this database and comments were submitted. Xerox is preparing a price proposal for this effort.

The Commission and Xerox executed a change order to increase processing time for a cash transaction in the conventional toll lanes. The transaction period will be open until the end of the vehicle reaches the overhead laser scanner. This will provide the toll collectors with additional time to press the toll paid button and reducing the number of false violations. Software coding was completed and the revision was tested in a lane at the New Hope – Lambertville Toll Bridge. Upon successful testing, the revised software was deployed to all conventional toll lanes and the violation filter was removed at the NJ CSC.

Commission staff is preparing a change order with Xerox for continued operation/maintenance service for one (1) year as approved at the September 2014 Commission Meeting. Additionally, a separate agreement is being prepared for TransCore to maintain the software of the legacy toll system.

Xerox continues to acquire the annual 2014 spare parts/consumables as required by the purchase order that was issued by Commission Staff. An inspection of the spare parts was completed by Commission Staff.

Commission Staff and Xerox are preparing the 2015 annual spare parts budget.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

Customer Service Center/Violation Processing Center Design-Build-Operate-Maintain Project TO-427D

ETC is providing continued operation of the violation processing center on a month to month basis. This activity includes processing violations that have reached the collection agency.

Customer Service Center/Violation Processing Center Project DB-584

Commission staff directed the New Jersey Customer Service Center to remove the violation filter as the revised in-lane toll system software was deployed to all conventional toll lanes. The revised software keeps the toll transaction open until the end of the vehicle passes beneath the overhead laser scanner, providing toll collectors with additional time to press the toll paid button for a cash transaction.

ELECTRONIC TOLL COLLECTION / TOLLING TASK ORDER CONSULTANT - 2010

TRAFFIC COUNT PROGRAM DESIGN Task Order Assignment No. C-538A-8

STV prepared a final Bill of Material and Engineer's Estimate for the completion of a traffic counting system that replaces the roadway loops system that is beyond its useful life. STV also completed final plans and have submitted them to the Commission. Commission Staff will discuss and plan for next steps that include closeout of the task order assignment, purchase of the traffic counter and software through the PA Department of General Services COSTARS program to build one site, and ultimately building all sites.

ELECTRONIC TOLL COLLECTION / TOLLING TASK ORDER CONSULTANT 2013

IN-LANE TOLL SYSTEM REVIEW AND REQUEST FOR PROPOSAL DEVELOPMENT

Task Order Assignment No. C-621A-1; Capital Project 0910A

RK&K and Commission Staff kicked off this task order assignment for review of the Commission's existing toll collection manuals and the preparation of the Request for Proposal (RFP) for the next generation in-lane toll system. A meeting was facilitated for a high level review for the RK&K team to gain an understanding of current toll operations. A half day workshop is scheduled to discuss the existing system, likes and dislikes, plus functionality of the new system with Commission Staff and RK&K.

BRIDGE MONITORING SYSTEM

BRIDGE MONITORING SYSTEM STUDY FOR SELECT VEHICULAR BRIDGES Contract No. C-556A

Throughout the week of September 15th, Pennoni Associates installed electronic sensors and monitoring equipment on the New Hope-Lambertville Toll Supported Bridge. During the early morning hours, 1:00 AM to 5:00 AM, of September 19th, intermittent 15-minute traffic stoppages were implemented allowing for load testing of the structural health monitoring (SHM) system.

The Riverton-Belvidere Toll Supported Bridge was outfitted with electronic sensors and monitoring equipment throughout the week of September 22nd concluding with load testing on September 26th.

The SHM systems will remain in operation for four (4) weeks recording data for analysis as part of the study.

Level 3 – Investment Grade Traffic and Revenue Forecasts C-549AR

Jacobs Engineering will prepare their final invoice for all work completed on this agreement. The agreement will remain open as there are two options included to update the traffic and revenue forecasts as needed by the Commission.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014 PROJECT STATUS REPORT

GENERAL ENGINEERING CONSULTANT (GEC) ANNUAL INSPECTIONS

2014 TOLL-SUPPORTED BRIDGE INSPECTIONS

Assignment C-07-11D

A kick-off meeting was held on March 18, 2014 at the Easton - Phillipsburg Toll Bridge Administration Building and attended by representatives from District 1, District 2, Operations, Engineering and TranSystems (TS). Inspections of the toll-supported bridges began March 27 at the Riverton – Belvidere Toll Supported Bridge. The Inspections have now been completed at all Toll-Supported Bridges including Scudder Falls which was completed on August 5 and August 6.

During inspection of the Scudder Falls Toll-Supported Bridge in April, TS encountered two very protective Peregrine falcons. Based on recommendations from Art McMorris, Ph.D., Peregrine Falcon Coordinator for the Pennsylvania Game Commission, the remainder of the bridge was inspected post July 31st, after nesting season for the falcons. To avoid this situation in the future, the PennDOT BMS will be updated to show an August inspection date and the 2-year inspection cycle will be moved to August in the future to avoid problems with the Peregrine falcons and their nesting season.

Facilities inspections occurred on June 16 in District 1 at Lower Trenton, Calhoun Street and New Hope – Lambertville Toll-Supported Bridges. Those in attendance were maintenance personnel, District 1 Superintendent and Assistant Superintendent, Director of Plants & Facilities, Deputy Executive Director of Operations, Executive Director, Engineering and TS. Facility Inspections were completed in District 1 on July 29 at Centre Bridge – Stockton and Lumberville – Raven Rock Toll-Supported Bridges, as well as the house at Scudder Falls. Those in attendance were maintenance personnel, District 1 Superintendent and Assistant Superintendent, Deputy Executive Director of Operations, Executive Director, Engineering and TS. .

District 2 facilities inspections were performed on June 24. Those in attendance were maintenance personnel, District 2 Superintendent, Deputy Executive Director of Operations, and Engineering.

Draft Maintenance Reports were submitted by TS and distributed to maintenance personnel for review on August 19. Meetings to review the draft report with maintenance and TS have been scheduled for the week of September 15.

Sign retroreflectivity testing was performed at the District 2 Toll-Supported Bridges on Monday, September 29 and at the District 1 Toll-Supported Bridges (sans I-95/Scudder Falls) on Tuesday, September 30.

Draft Inspection Reports were submitted by TS on September 26 and distributed to engineering personnel for review on October 2 and are currently under review.

ELECTRONIC SECURITY AND SURVEILLANCE REPORT

Subject	Description	Page Numbers
Electronic Security and Surveillance	Status Report for the Month of September 2014	1 - 6

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

ELECTRONIC SECURITY AND SURVEILLANCE REPORT MONTH OF SEPTEMBER 2014

The below-listed items represent meetings, communications, tasks, and projects involving the Electronic Security and Surveillance Department:

Radio System

- On September 17, 2014, ESS personnel, New Jersey State Police Communications Bureau personnel, and Motorola visited the Delaware Water Gap and Easton, PA DRJTBC radio repeater sites to finalize Motorola's proposal to upgrade the current Commission radio system to a P25 700MHz system. Thereafter, on September 24, 2014, ESS personnel attended the DRJTBC Committee Meeting to present the radio upgrade proposal. Same was approved on September 30, 2014, at the regular meeting.
- During the month of September 2014, ESS personnel continued to work with the New Jersey State Police Radio Technicians to develop a plan to enhance the radio coverage in the tunnel area at the Easton-Phillipsburg Toll Bridge.
- ESS personnel arranged for various radio installations and repairs during the month of September 2014.
- ESS personnel alone, and in conjunction with the New Jersey State Police investigated various other DRJTBC radio issues both during and after normal working hours.
- ESS personnel updated the Cartograph radio inventory database.

Access Control System/Toll Lane Account Access

- During the month of September 2014, ESS personnel continued to work with Schneider Electric to cut over to the Commission's new access control system. To date, the following Bridge facilities are utilizing the new access control system: Milford-Montague, Delaware Water Gap and Portland-Columbia.
- During the month of September 2014, ESS personnel investigated various access issues for all Districts.
- During the month of September 2014, ESS personnel worked with General Supply (Commission's lock smith) to address various lock issues within the Districts and to perform the yearly door lock maintenance at all facilities.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

ELECTRONIC SECURITY AND SURVEILLANCE REPORT MONTH OF SEPTEMBER 2014

- In September 2014, ESS personnel created ID badges for new employees and consultants. Additionally, ESS continued making "Essential Employee" ID badges for current employees.
- During the month of September 2014, the ACS database was audited and the system was purged of invalid employee and contractor cards. Various other employee ACS rights were updated and/or changed at the request of supervisors.
- Various door alarms and ACS issues were addressed both during and after normal working hours.
- Numerous toll lane swipe cards were made and issued to Toll personnel to allow them to open a toll lane and collect tolls.

ESS

- On September 3, 2014, ESS personnel met with Schneider Electric to discuss the ESS maintenance program and various issues associated therewith.
- On September 5, 2014, ESS personnel and Schneider Electric attended a presentation on a software product called "Activu." The software is being reviewed for use at the ESS Primary Control Center and essentially has the ability to link various other software and communication devices for interactive communication and presentation.
- During the month of September 2014, ESS personnel continued to work with Schneider Electric to test the new analytics being proposed by Schneider Electric to replace the current Mate analytics.
- ESS personnel continue working with Schneider Electric to determine the cost for video surveillance at the Portland-Columbia Pedestrian Bridge.
- ESS personnel reviewed and purged the ESS video storage database that contains copies of videos requested by DRJTBC personnel and outside agencies.
- ESS personnel worked during, and after normal working hours on numerous ESS issues and problems raised by Commission members.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

ELECTRONIC SECURITY AND SURVEILLANCE REPORT MONTH OF SEPTEMBER 2014

- The ESS Primary Control Center continues to operate 24/7 and detected, documented, and assisted the District bridges with various emergencies, traffic, weather events, and security related incidents.
- During the month of September 2014, ESS personnel investigated and processed the following twenty-five video requests:
 1. On 09/02/14, the ESS Department requested a video search from the New Hope-Lambertville Toll Supported Bridge regarding a person climbing on the bridge.
 2. On 09/03/14, District I requested a video search from the Calhoun Street Toll Supported Bridge regarding a motor vehicle accident.
 3. On 09/05/14, Engineering requested a video search from the Trenton-Morrisville Toll Bridge regarding a contractor discarding debris off the bridge.
 4. On 09/07/14, District I requested a video search from the Calhoun Street Toll Supported Bridge regarding a bicycle accident.
 5. On 09/07/14, District I requested a video search from the Lower Trenton Toll Supported Bridge regarding a motor vehicle accident.
 6. On 09/09/14, the Solebury Twp., PA Police Department requested a video search from the Centre Bridge-Stockton Toll Supported Bridge regarding a burglary investigation.
 7. On 09/10/14, District III requested a video search from the Delaware Water Gap Toll Bridge regarding a hit and run motor vehicle accident which caused damage to Commission guiderail.
 8. On 09/10/14, a private attorney requested a video search from the I-78 Toll Bridge regarding a criminal investigation.
 9. On 09/11/14, District I requested a video search from the Trenton-Morrisville Toll Bridge regarding a motor vehicle accident.

SUBJECT	DESCRIPTION	PAGE NUMBER
Information Technology	Monthly Information Technology Department Report Covering the Month of September 2014	1 - 2

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of October 27, 2014

Information Technology Department Report Month of September 2014

The following activities under the general heading of Information Technology were recently initiated, accomplished, or performed:

Helpdesk/Communications/Network/desktops:

- Record commission meeting and provide file to executive office.
- Processed 215 help desk work orders for the month September. Work orders include all software support including MUNIS, Cartegraph and KRONOS. IT daily tasks, printer issues, hardware and office software support, job postings, news posting, postings to the external web site, processing of IT security forms, moves, and telephone support.

Projects:

➤ MUNIS

- HR Implementation in process.
 - Continue HR training
 - Loaded scanned documents into TCM.
- Training on TRS (Tyler reporting services – to replace Crystal reports in 5 years)
- IT director works with Tyler to support MUNIS new version. Users contact IT when issues involving Tyler support and IT provides remote access.
- Ongoing support for MUNIS including user support and issues.
- Apply MUNIS software program updates nightly. Averages 12 per day.
- Discussion with Tyler regarding MBE/SBE tracking and processing.

➤ Cartegraph

- The following implementations are being worked on and will be implemented:
 - Inventory/material module to track stock items. Target go live date Nov. 3, 2014
 - Implementing Material inventory to include road and rock salt, unleaded and diesel gasoline and magnesium chloride. Continual monitoring of system to determine user usage
- Turnover completed for inspection/equipment from purchasing to IT.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION
Meeting of October 27, 2014

- KRONOS Time and Attendance
 - No complaints on the 4 ports added to Teletime (to resolve issues regarding punching in/out.)
 - Rules changed to accept 6 minute requirement.
 - Schedule patterns have been completed ready for October shift change.
 - Continued meetings with KRONOS to resolve issues.
 - Reviewing KRONOS signature workflow.
 - IT will update schedules now instead of Assistant Supers. Assistants will update part time schedules. Schedule patterns have been developed and maintained by IT

 Intranet:

- Update news clipping and engineering requests.
- Update all documentation and forms on internal website including maintaining morning report program
- Maintain all job postings on Intranet

 Miscellaneous:

- Met with MBE/SBE consultant gathering requirements for program
- Scan, and approve Verizon communications invoices for payment.
- Develop and maintain InfoPath forms and Access DB for commission operations reporting functions.
- Working with Consultant to determine IT processes and responsibilities.
