#### **ROLL CALL**

Joseph Resta, Executive Director, in his capacity as Secretary for this Meeting called the roll, and at the conclusion thereof, reported that there was a quorum present-there being five members present from the Commonwealth of Pennsylvania and five members present from the State of New Jersey.

#### WELCOMING REMARKS OF THE EXECUTIVE DIRECTOR

Executive Director Resta welcomed those persons whose identities are set forth hereinabove under "Appearances".

#### INTRODUCE ANY COMMENTS FROM THE PUBLIC

Executive Director Resta addressed the meeting and invited any comments from the public on items pertaining to today's Agenda. No questions were presented.

#### **EXECUTIVE DIRECTOR'S REPORT**

Joseph Resta, Executive Director, addressed the meeting and said;

Good morning, Commissioners, in addition to personnel-related and legal invoice related resolutions, there are two items for your consideration today that will fulfill important requirements for the Commission. The Bond Indenture that the Bridge Commission utilizes for a portion of its proceeds to fund capital projects requires, on an annual basis; a traffic engineering report that looks back on the results of the prior year and further provides analysis for the coming year. These traffic and revenue predictions are the basis of the Commission's Debt Service Coverage Ratio. In addition, Commissioners enacted a Financial Resilience Policy whereby the target for debt service coverage ratio is two times coverage, or greater, and, as you are aware, the Commission struggled with the drop-off of traffic and revenue as a result of the COVID-19 pandemic and economic recession that was triggered by it, necessitating a toll-adjustment in 2021. The other item for today's consideration is the New Hope-Lambertville Toll- Supported Bridge Rehabilitation Design award of contract C-694A. The Commission has

#### Meeting of February 27, 2023

already entered its second round of toll-supported bridge rehabilitations in the modern era with the progression of the Northampton Street Toll-Supported Bridge Rehabilitation, which is ongoing towards a late Spring completion. The rehabilitation at New Hope-Lambertville is less extensive than the last rehabilitation, and we'll take the opportunity to add architectural lighting to the crossing, enhancing the experience at that location. These Toll-Supported Bridge rehabilitations are the very meaning of "Preserving Our Past, Enhancing Our Future".

Mr. Chairman, that concludes my report.

#### APPROVAL OF MINUTES FOR COMMISSION MEETING HELD JANUARY 30, 2023

#### R: 4655-02-23-ADM-01-02-23

Executive Director Resta addressed the meeting and requested the adoption of a Resolution approving the Minutes of the Commission Meeting held January 30, 2023.

At the conclusion of the review, Vice Chair Janvey moved and Chairman Komjathy seconded the adoption of the following Resolution:

"RESOLVED: by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 27<sup>th</sup> day of February 2023 that the Minutes of the Commission Meeting held on January 30, 2023 be adopted and the same hereby are approved."

#### INVITE ANY COMMENTS FROM THE PUBLIC

Executive Director Resta invited any Comments from the public.

#### SCHEDULING OF THE MARCH 27, 2023 MEETING.

Executive Director Resta addressed the Meeting and stated that the Commission's next meeting is scheduled to be held Monday, March 27, 2023.

This meeting will be called to Order at 10:30 a.m. at the Scudder Falls Administration Building, 1199 Woodside Road, Yardley, PA 19067.

Executive Director Resta assured the Commission Members that an "Official Notice of Meeting" would be forwarded to each and every Member of the Commission.

Executive Director Resta addressed the meeting and said;

The vice-chair wishes to make a comment for the record.

Vice Chair Janvey addressed the meeting and said;

#### Meeting of February 27, 2023

This week is the last week that Chris Harney will be working with us. Chris has been here for I don't know, 35 years and he's only 45, so he has been a phenomenal employee. He cares so much about the Bridge Commission and he is truly going to be missed, so I just wanted to state this for the record.

Executive Director Resta addressed the meeting and said;

Thank you, Commissioner.

#### ADJOURNMENT

Chairman Komjathy then moved that the Meeting be adjourned, and Vice Chair Janvey seconded the motion. The voice vote was unanimously affirmative, and the Meeting was adjourned at 10:57 am, Monday, February 27, 2023.

# DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION Meeting of February 27, 2023 TOLL TRAFFIC AND REVENUE STATISTICS (January, 2023)

**Summary:** The Commission experienced an increase in total toll revenue for January 2023 in comparison to the January 2022 traffic and revenue statistics. Total toll traffic also reflected an increase for the month.

#### Analysis of January 2023 / January 2022 toll revenue data comparison:

- An overall toll revenue increase of 6.58 percent was recorded at the Commission's eight toll bridges for the month of January.
- Commercial-vehicle toll revenue reflected a 2.34 percent increase.
- Passenger-vehicle toll revenue reflected an 18.16 percent increase.

#### Analysis of January 2023 / January 2022 traffic data comparison:

- Total toll traffic increased by 517,766 vehicles, or 17.52 percent for the month.
- Commercial-vehicle traffic increased by 13,494 vehicles, or 2.58 percent.
- Passenger-vehicle toll traffic increased by 504,272 vehicles, or 20.73 percent.
- Total recorded westbound traffic volume at the 10 toll supported bridges for January 2023 increased by 54,152 vehicles, or 3.5 percent as compared to January 2022.

#### Traffic analysis for 2023 YTD:

- Average daily toll traffic for the Commission's toll bridges for January 2023 was 112,024 total vehicles as compared to the 95,322 total vehicles recorded on the toll bridges in January 2022.
- Average daily westbound traffic on the toll supported bridges was 51,820 vehicles in January 2023 as compared to 50,073 vehicles in January 2022.

#### **REGION REVIEW:**

#### **Southern Region**

Total toll traffic at Trenton-Morrisville (TM) reflected a 15.76 percent increase for January 2023 when compared to January 2022 as the result of the increase of 84,801 cars and the decrease of 1,395 trucks. The Scudder Falls Bridge recorded a 30.07 percent increase in total toll traffic for January 2023 when compared to January 2022 as the result of the increases of 133,468 cars and 1,578 trucks. At New Hope-Lambertville (NHL), an increase of 20,960 cars and a decrease of 100 trucks resulted in an overall increase of 21.76 percent in total toll traffic for January 2023 as compared to January 2022.

#### **Central Region**

The I-78 Toll Bridge recorded an increase of 8.83 percent in total toll traffic for the month of January 2023 when compared to January 2022 as the result of the increases of 60,462 cars and 7,118 trucks. At the Easton-Phillipsburg (EP) Toll Bridge, the increase of 73,554 passenger vehicles combined with the decrease of 324 trucks generated a 21.76 percent decrease in total toll traffic for January 2023 as compared to January 2022.

#### **Northern Region**

Portland-Columbia (PC) recorded a 34.12 percent increase in total toll traffic during January 2023 compared to January 2022 as the result of the increase of 26,853 automobiles and the decrease of 189 trucks. At the Delaware Water Gap (DWG) Toll Bridge, combined increases of 93,188 passenger vehicles and 7,127 trucks generated an increase of 15.99 percent in total toll traffic for January 2023 when compared to January 2022. At Milford-Montague (MM), an increase of 10,986 passenger vehicles and a decrease of 321 trucks produced a 14.49 percent increase in total toll traffic for the month of January 2023 as compared to January 2022.

#### **E-ZPass** Penetration Rates

The table below provides a comparison of the *E-ZPass* penetration rates for the Commission's eight (8) toll bridges for the months of January 2023 and January 2022, and the year-to-date periods ending January 31, 2023 and January 31, 2022.

		E-ZPass PENETRATION RATES

- 1. Construction began in June 2017 under contract T-688A for the Scudder Falls Replacement Bridge. In July 2019, SFB became a Toll Bridge. SFB Project reached substantial completion on December 17, 2021. Construction continues in 2023. Only short-term travel restrictions will be needed to complete remaining project tasks going forward.
- 2. Contract No. TS-590A NHS TSB Rehabilitation began implementing lane restrictions in February 2022. In Early August lane closings were shifted. Two lanes remain open, one eastbound and one westbound. The change in traffic pattern is no longer permanent but daily from ~6:00 AM to 4:30 PM and was changed to this on November 7, 2022.
- 3. On 12/6/22, a portion of Route 611 North of Portland was closed indefinitely after a rockfall occured in Delaware Water Gap Borough.
- 4. Construction for Contract No. T/TS-734A-006 M-M Approach and Bridge Repaving will have temporary lane closures restricting traffic to one lane alternating traffic.

#### Meeting of February 27th, 2023

#### STATISTICAL SUMMARY OF EXPENDITURES

There follow reports entitled **"Budget vs Actual"** covering the month of January 2023 relative to Toll Bridges, Toll Supported Bridges and Administration departments.

Total operating expense plus encumbrance totaled \$6,425,956 for the month of January which represents 76.28% of 2023 year-to-date operating budget. This large positive variance is mainly due to the lack of encumbrances approved during the month of January. As the annual encumbrances are added for fuels, materials and service contracts over the next several months, this large surplus is expected to be reduced.

There were no unusual expenses during the month.

SUBJECT	DESCRIPTION	PAGE NUMBER
Purchasing	Monthly Purchasing Report Covering the Month of January 2023	1-3

#### Meeting of February 27, 2023

#### MONTHLY PURCHASING REPORT

#### Month of January 2023

This report itemizes all orders for purchases made for the month of January 2023, showing the divisions chargeable for the expense and the source of authority for issuance of the Purchase Order. This authority is broken into three categories:

- (1) By authority of the Commission
- (2) By authority of the Executive Director or his designate
- (3) By authority of the Director

The purchasing activities for the month of January 2023, culminated in the preparation and placement of 26 purchase orders in the total amount of \$498,126.40. For one (1) of these purchases, three (3) price inquiries were sent out for an average of three (3) inquiries per Order (3/1 = 3.0).

Procurements of over \$5,000.00 during the period of January 2023 are shown below:

- ➤ One (1) Purchase Order was issued, in the total amount of \$118,714.17 for the Maximo Software renewal:
- ➤ Four (4) Purchase Orders were issued, in the total amount of \$116,930.00 for liquid fuel needs at the Commission;
- ➤ One (1) Purchase Order was issued, in the total amount of \$110,400.00 for the ADP Workforce & E-Time Software renewal;
- ➤ One (1) Purchase Order was issued, in the total amount of \$44,827.80 for the lease of 32 multi-functional copiers;
- A Purchase Order was issued, in the total amount of \$43,530.24 for the Gravel Hill Tower rental.

In addition to the practices employed incidental to purchase of materials, etc., from vendors on a direct basis, the Commission also purchases via direct utilization of the purchasing processes of the State of New Jersey, the Commonwealth of Pennsylvania and other joint purchasing arrangements.

# E-ZPASS REPORT CUSTOMER SERVICE CENTER/VIOLATIONS PROCESSING CENTER (CSC/VPC) OPERATIONS REPORT FOR THE E-ZPASS SYSTEM JANUARY 2023

#### **CSC/VPC Post-Migration Collection Update:**

As a result of post-migration collection efforts from May 2014 – January 2023, New Jersey E-ZPass reports \$12,489,793.03 collected in tolls and \$40,072,109.85 collected in fees.

#### **Collection Account Updates:**

CRST Lincoln Sales - August Settlement: DRJTBC received payment in the amount of \$43,188.15 for violation transactions from February 2016 through July 2019. The full outstanding toll in the amount of \$14,428.15 was paid. Conduent receives a percentage share of the administrative fee. Therefore, DRJTBC received payment for the fees in the amount of \$19,185.00. Commission counsel filed a civil complaint for the outstanding amount. General Counsel for CRST International, Inc. and Commission counsel representing Florio Perucci Steinhardt & Capelli negotiated payment for the entire outstanding amount.

<u>Transcom - August Settlement:</u> DRJTBC received payment in the amount of \$5,000.00 representing outstanding tolls from April 2014-October 2018. Commission counsel filed a civil complaint for the outstanding amount. Counsel for Transcom and Commission counsel representing Florio Perucci Steinhardt & Capelli negotiated payment.

**TMT Trucking:** On 12/19/19, DRJTBC was awarded \$40,000.00 during an arbitration hearing. The defendant as well as the Commission has 30 days to appeal the verdict. The Commission nor the defendant has appealed the verdict. The current outstanding amount owed to the Commission in tolls is \$19,584.00 and \$31,290.00 in fees.

<u>Jhonatan Trucking:</u> Arbitration awarded to the Commission in the amount of \$75,015.50 for outstanding tolls and fees.

<u>Sakoutis Transport LLC</u>: Settlement complete. Check has been received and processed for \$13,250.00.

#### E-Z PASS REPORT CUSTOMER SERVICE CENTER/VIOLATIONS PROCESSING CENTER (CSC/VPC) OPERATIONS REPORT FOR THE E-ZPASS SYSTEM JANUARY 2023

#### **Violation Camera Monitoring:**

The E-ZPass Department in tandem with TransCore's Field Service Technicians (FSTs) monitor vehicle license plate images in the Southern, Central and Northern Regions through the Commission's Violation Enforcement System (VES).

# IAG, New Jersey Turnpike Authority (NJTA) and Electronic Toll Collection System (ETC) Meetings and Workshops

Continue to represent the Commission at the following committees, meetings and workshops:

- 1. IAG Reciprocity Committee
- 2. IAG Public Relations & Marketing Committee
- 3. IAG Legal Committee
- 4. IAG Rental/Fleet Car Subgroup Committee
- 5. New Jersey Turnpike Authority Project Status Meetings
- 6. New Jersey Customer Service Center Requirements Meetings

# ELECTRONIC TOLL COLLECTION PROGRAM

#### **MONTH OF JANUARY 2023**

SUBJECT	DESCRIPTION	PAGE NUMBER
ETC PROGRAM	Electronic Toll Collection Program Report	1-2

#### DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION Meeting of February 27, 2023

## ELECTRONIC TOLL COLLECTION PROGRAM MONTH OF JANUARY 2023

The following items were recently initiated, accomplished or performed during the above noted month:

#### Activities for the In-Lane Toll System

- 1. There is one (1) overhead vehicle profiling units (OPUS) unit at the Delaware Water Gap Toll Bridge Open Road Tolling (ORT) zone for the shoulder lane that requires replacement. The replacement is scheduled for early February 2023.
- 2. TransCore worked with Commission staff to address a report discrepancy. In doing so, it was determined that flushed tag transactions need to be filtered by the lane system to prevent them from being transmitted to the NJ CSC and included in reports that are produced by the lane system. This process was implemented in early February 2023.
- 3. TransCore is coordinating the relocation of the bridge host and all cabling to the lane controllers for the Southern Operations and Maintenance Facilities Improvements project. On site work will begin once the demarcation building is available.
- 4. The Commission executed a contract Unforeseen Allowance Reduction for costs associated with the installation, integration and testing (2 months) of a TransCore Encompass (E6) multiprotocol reader at the Trenton-Morrisville Toll Bridge. This reader will enable Commission toll facilities to read transponders that use TDM (IAG), SeGo or 6C protocols by the end of 2023, an IAG directive. TransCore inspected the area inside the toll plaza canopy and indicated that the location will be acceptable for the new reader.
- 5. Commission Staff and TransCore meet monthly to review and discuss system operational and maintenance items. A weekly call also takes placed to briefly review system maintenance items for the week.

#### Activities for the E-ZPass Customer Service Center/Violation Processing Center

1. Commission staff and Conduent executed a contract change order to adjust the pay-by-plate process that allows for making toll adjustments for super-load vehicles when crossing the Scudder Falls Toll Bridge in the toll direction. These vehicles often have atypical configurations that do not allow for the correct vehicle classification, requiring intervention by Commission Staff to adjust the toll amount prior to the issuance of a toll-by-plate invoice. Work on this enhancement began with a kickoff meeting to confirm the requirements of the functionality.

#### DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION Meeting of February 27, 2023

- 2. Commission staff are working with Conduent to plan for the implementation of the IAG Interface Control Document (ICD) version 1.60. This will allow Customer Service Centers to receive data and process transactions from other transponder protocols such as SeGo and 6C. TransCore prepared revisions to the ICD between the toll host and the New Jersey E-ZPass Customer Service Center (CSC) that is required as the NJ CSC's prepared for IAG ICD 1.60. The revisions to the document were completed and submitted to Conduent for their review. Commission staff is coordinating a meeting with both vendors to discuss the edits to this document, so it may be finalized.
- 3. The New Jersey Turnpike Authority (NJTA), as the lead agency, is facilitating all meetings with the other agencies and Conduent to manage the implementation of outstanding system elements for the New Jersey E-ZPass Customer Service Center.

#### General Electronic Toll Collection Program Activities

- 1. Mr. Stracciolini participated in the IAG E-ZPass Executive Management Committee meeting and Policy Committee meetings. At the August 2021 IAG EMC Meeting, Mr. Stracciolini was elected by the members to serve as Vice Chair to the EMC.
- 2. Mr. Stracciolini is participating in the Non-toll Business Opportunity Task Force and Protocol Planning Working Group.
- 3. Mr. Stracciolini is serving on the International Bridge, Tunnel & Turnpike Association's (IBTTA) 2022 Emerging Technologies & Engineering and Construction Task Forces.
- 4. Mr. Stracciolini prepared three (3) agreements for the IAG to execute for the IAG Service Corporation Task Order Assignment Consultants. The agreements were executed and all electronic files from this process were provided to the IAG. This effort is now complete.

**Meeting of February 27, 2023** 

#### OPERATIONS INDEX FOR INFORMATION TECHNOLOGY

SUBJECT	DESCRIPTION	PAGE NUMBER
Information	Status Report Month of	1-2
Technology	January 2023	

#### **Meeting of February 2023**

# Information Technology Department Report Month of January 2023

The following activities under the general heading of Information Technology were recently initiated, accomplished, or performed:

#### Melpdesk/Deployments:

- Processed 34 work orders for the month.
- Includes all software support, IT daily tasks, printer and desktop support, Intranet, news and job postings, telephone support, and form design/updates.
- Includes configuration and deployment of desktops, laptops, and cell phones.
- Includes MUNIS, ADP, Maximo, and other Enterprise Software updates and maintenance, and EZ-Pass support.

#### Projects:

#### **D** ESS CAD System:

IT Department continues to support the implementation of the ESS Computer Aided Dispatch system and the new PCC.

#### **D** Security, Upgrades, and Migration Initiative:

IT Department continues to aggressively secure, upgrade, and migrate any and all systems in order to better posture the network against any cybersecurity threats.

#### **7** Telephone System:

- IT Department has almost completed Toll Supported Shelter telephones. There are two locations remaining.
- We continue to cancel Verizon phone lines where we can replace with a system telephone.

## **Meeting of February 2023**

#### **Meetings Attended:**

I have begun to serve on the IAG Technical Committee and have attended the following meetings and/or phone conferences:

**Every Monday: IAG Tech Committee Call:** General IAG Tech Committee discussion and status. Nothing to report.

# **Meeting of February 27, 2023**

# **COMMUNICATIONS**

The following Pages reflect the reports on those items assigned to the Communications Department. Each item is reported separately and page numbered accordingly.

# OPERATIONS INDEX FOR COMMUNICATIONS

# COMMUNICATIONS REPORT January 2023

#### • COMMISSION AWARENESS EFFORTS:

**2022 Annual Report** – Began early preparations for the next annual report. Drafted an outline for review by the Executive Director. Initiated tracking and storage of potential photographs. This is expected to be the last report to have content related to the now-completed Scudder Falls Bridge Replacement Project.

Complete Major Construction Elements Video for Scudder Falls Bridge Replacement Project – Working with Erika Morgan of public involvement program subconsultant McCormick Taylor, finalized a brief video summarizing the completed improvements of the Scudder Falls Bridge Replacement Project. The video has been posted on the Commission's YouTube page with links from the project website – <a href="https://www.scudderfallsbridge.com">www.scudderfallsbridge.com</a> – and the Commission website – <a href="https://www.drjtbc.org">www.drjtbc.org</a>. A unique feature of the video is comparative footage of the old bridge carrying traffic during early project construction in 2018 and footage of the finished dual-span bridge carrying traffic in 2022.

Online New Hope-Lambertville Toll-Supported Bridge Historical Account – As time permitted, continued to research, refine, and write a thorough online history of the New Hope-Lambertville Bridge. This product will expand upon the nearly 90-minute-long slide show for the Lambertville Historical Society in November. The goal was to post this on the Commission website in January, but that target date has now been changed to late February.

#### • MEDIA RELATIONS:

Hot Topics: Lane closure at Northampton Street Bridge; Knowlton Twp. and Warrant County to fund water filtration for Columbia residents; 100<sup>th</sup> anniversary of public ownership/no tolls at Riegelsville Bridge; Indian actress photographed at New Hope-Lambertville Bridge; Lumberville-Raven Rock winter photo; scenic train to Lambertville; DRJTBC Commissioner Ciesla becomes Warren County Commission director; New Hope top spot for getaways; Lambertville a great place to visit; former employee Anne Amato obituary; Fitch affirms Commission bond rating; NJ transportation trust fund refinancing; off-the-wall opinion piece suggesting SunPass competing with E-ZPass; second Phillipsburg ice cream shop closes; Benjamin Parry Day in New Hope article asserts – without proof – that it was "Parry's idea" to have a bridge between what's now New Hope and Lambertville.

#### • WEBSITES:

DRJTBC.org: Uploaded attachments and posted RFP/RFQs for fuel delivery services and municipal waste and recycling services as per Steve Wells of purchasing department. Posted multiple alerts, popup messages and banner scrolls for lane closures and travel restrictions at Northampton Street Bridge and Milford-Montague

Toll Bridge. Updated Northampton Street Bridge Rehabilitation Project webpage as warranted. Posted January meeting materials and notices on COVID-19 meetings page. Made a series of updates for the new year. Made corrections to Upper Black Eddy-Milford Bridge webpage. Wrote a completed history of the Milford-Montague Toll Bridge and posted it on the Commission website along with a history of a prior private/public bridge location that served the area from 1826 to 1853. This posting will be refined at a future date. Formatted and posted new Pennsylvania Governor Josh Shapiro's photo on website. Updated watermark photographs on Commissioners and Commission Meetings webpages. Updated Chairman Komjathy's bio. Uploaded and posted HVAC services RFQ for Steve Wells of the purchasing department; followed this with attachment of addendums to the RFQ. Posted eComply link and other changes to the Compact Compliance webpage as per director Julio Guridy. Corrected a series of broken links and corrupted meeting minute files on the Commission's meeting minutes page, and reconstructed a missing set of meeting minutes from 2007; issue was brought to the Commission's attention by a New Jersey State Library employee.

ScudderFallsBridge.com: Made a litany of corrections, content swaps, and deletions in preparation for eventual mothballing of this website. Changes included posting of Commission customer service phone number and email address for any potential future inquiries. The plan is to make further changes before closing out the McCormick Taylor public involvement contract in late February and then leave the website in a scaled-down condition for another year. Website consultant Stokes Creative Group was and will continue to be instrumental in this mothballing process.

• COMMUNITY AFFAIRS: (Please refer to Community Affairs report) Provided updated post-Scudder Falls project lane miles information to Community Affairs. Coordinated on Bucks County Roadrunners event later in the year. Holcombe-Jimison Farmstead property issue forwarded. Drafted thank you banner concept for installation after end of travel restrictions for Northampton Street Bridge rehabilitation project in the spring.

#### INTERNAL/EXTERNAL COMMUNICATIONS

- Recorded a total of 15,721 sessions (visits) on the Commission's website <a href="https://www.drjtbc.org">www.drjtbc.org</a> during January. That's an increase over the 13,333 sessions recorded in December and the 14,864 sessions tabulated in January 2022.
- No press releases were issued in January.
- Attended employee manual revision meetings.
- Provided updated post-Scudder Falls project lane miles information to Community Affairs.
- Provided copies of early 20<sup>th</sup> century articles on a proposed memorial bridge upstream of the Washington Crossing Bridge to Mike Cane of the engineering department.
- Posted detailed bridge correction comments on various erroneous Facebook posts concerning Commission bridges.
- Updated and corrected the Bridge Commission entry in the New Jersey Legislative manual at request of the publisher.

- Drafted memorandum for operations/ESS regarding Commission personnel who assisted a Northampton Street bridge monitor in rescuing an apparently suicidal individual from the Delaware River in late December.
- Edited communications for executive office.
- Forwarded various pre-Scudder Falls Bridge Replacement Project photographs to Rich Rash of AECOM for use in project-completion video.
- Compiled list of before-construction photographs taken in Scudder Falls project area so Justin Bowers can take similar after-construction drone photographs for a comparative posting on the website or other presentation opportunities.
- Forwarded historical George Washington Bridge traffic film footage to former Commission suspension bridge consultant Joe Riley.
- Thoroughly researched and provided suggested corrective comments on bridgerelated entries in popular Delaware River canoeing book produced by author Gary Letcher; prior editions unfortunately repeated misinformation contained in various other bridge-related publications. This exercise has helped to further identify bridge posting on the Commission website that need correction or enhancement. Provided photographs of Lower Trenton location courtesy of the Delaware River Joint Toll Bridge Commission.
- Sent various corrections to Google for bridge-related errors/misinformation on their respective bridge locations. Mistakes included inclusions of non-Commission phone numbers. Google has a history of posting erroneous information because their templates are geared for businesses and completely inconsistent with bridges that lie in two states and are owned by an independent bi-state government agency.
- Corresponded and later spoke at length with Fred Heilman, past editor of the Delaware, Lackawanna & Western Railroad Historical Society 'The Roustabout' magazine, regarding the former Upper Mount Bethel-Delaware Bridge once controlled but never owned by the Delaware River Joint Toll Bridge Commission. Bridge originally was owned and operated by the railroad and later converted to a private vehicular toll bridge and then joint state-owned non-toll bridge. Forwarded Commission material regarding this bridge and wrote detailed, accurate history of the crossing from meeting minutes, railroad info, and other sources. Provided various photographs courtesy of the Commission to Mr. Heilman.
- Secured sales tax refund for early-December "Go Army" banner purchase for New Hope-Lambertville Toll-Supported Bridge.
- Crafted Commission proclamation for Bridge Monitor Pederson who rescue an apparently suicidal individual at Northampton Street Bridge in late December. Ordered and picked up frame for presentation at January 30 Commission meeting and scheduled the photographer for the event. Assisted in the execution of the event.
- Confirmed with Heidi Hoppe of United States Geological Survey the locations of five Commission bridges outfitted with radar monitors for gauging river height in joint program with USGS; forwarded locations to author Gary Letcher.
- Divided and provided updated plastic suicide hotline signs for installation on bridge walkways when weather allows; signs and a draft list of locations provided to operations personnel.
- Forwarded toll customer administration fee issue to E-ZPass department director Phil Calabro for resolution

- Forwarded 1841 Milford-Montague covered bridge advertisement to Montague historian Alicia Batko; also provided 1950s photograph of Crystal Lake roadside billboard from Commission files and received a dossier of bridge history information in return.
- Provided an assortment of historical covered bridge photographs to columnist Carl LaVO of the Bucks County Courier Times along with an assortment of suggestions regarding the travails of George B. Fell who survived a roughly 15-mile-long trip amid the icy river flood river of January 1841.
- Attended (via Zoom) a historical presentation on the former Belvidere Delaware Railroad that mentioned Commission river crossings.
- Corresponded with former commissioner Joe Bellina regarding a Lower Trenton Bridge historical presentation for the Robbinsville-Hamilton Rotary Club in early February; forwarded photograph and bio to Mr. Bellina.
- Provided December Commission meeting photographs to Chairman Komjathy.
- Posted corrective comment on Patch article mentioning toll collections, rates, and discount at the Scudder Falls Toll Bridge.
- Informed Mike Rebert of PennDOT District 5 that Commission cannot legally or effectively excuse tolls for individuals affected by extended closure of Route 611 between Portland and Delaware Water Gap, PA.
- Reviewed updated/corrected Scudder Falls documentation video from Michael Baker International Inc. and subcontractor Stokes Creative Group.

**Meeting of February 27, 2023** 

# OPERATIONS INDEX FOR COMMUNITY AFFAIRS

SUBJECT	DESCRIPTION	PAGE NUMBER
Community	Status Report Month of	1
Affairs	January 2023	

# Community Affairs Report January 2023

The following Community Affairs activities took place during January 2023:

#### Scudder Falls Bridge Replacement Project- Public Involvement

Received inquiry from Delaware & Raritan Canal Commission official regarding trees planted in the area of the NJ approach. Relayed information that the dead trees will be replaced in the spring.

#### Northampton Street Toll-Supported Bridge Rehabilitation Project

Attended bi-weekly construction progress meetings, providing to the project team information on upcoming special events in the area. Provided to neighboring property owners updated project progress information. Began planning for re-dedication event. Received phone call from area resident concerned about the effect of architectural lighting.

#### New Hope-Lambertville Toll Supported Rehabilitation Bridge

Reviewed proposals for Public Involvement Plan, provided feedback to Michael McCandless. Researched possible phone numbers for toll-free project line.

#### "Trenton Makes" sign lighting

Coordinated light-show requests with technical assistance from Justin Bowers in the Engineering Department. Shows for January included New Year holiday and support of the Philadelphia Eagles during the play-off games. Default color remains blue and yellow in support of Ukraine instead of red until further directed.

# **Uhlerstown-Frenchtown Toll-Supported Bridge**

Provided information to Frenchtown Parks Department and Mayor Brad Myhre regarding the retaining wall collapse behind the bridge shelter. Monitored social media community pages for postings about the situation and relayed to Commission staff.

# New Hope-Lambertville/ Rt. 202 neighboring property owner concern

Received phone call from staff at Holcombe-Jimison Farmstead Museum regarding the condition of the shared driveway between Commission and farmstead properties. The driveway also is used by patrons of the canal park. The road is in bad shape, with deep potholes caused by the PSE&G trucks currently working in the area. Conferred with Commission staff; Lendell Jones reached out to PSE&G, asking that they take care of the potholes temporarily and that they will need to make further repairs when their work in the area is completed in the fall.

#### **Various Community Affairs activities**

Handled a wide assortment of community affairs tasks during the months, including:

- Coordinated with E-ZPass Department staff regarding various customer questions, including dismissal of toll charges to local emergency services agencies
- o Referred potential contractors to appropriate staff in Engineering and Contract Compliance departments
- o Fielded questions regarding general bridge information
- o Assisted with various Use of Facilities requests
- Assisted the Communications Department with various proofreading and editing/enhancement of various images

#### TRENTON-MORRISVILLE TOLL BRIDGE

# SOUTHERN OPERATIONS & MAINTENANCE FACILITIES IMPROVEMENTS

Preliminary, Final & Post Design Services Contract No. C-519A (RJZ/KMS)

This contract is for Preliminary, Final and Post-Design Services for space utilization improvements at New Hope Lambertville Toll Bridge Executive Headquarters and the demolition and reconstruction of the Trenton Morrisville Toll Bridge Administration Building as identified under a Task Order Assignment for Space Utilization Program and Concept Study.

In accordance with the Commission's February 26, 2018, Regular Monthly Commission Meeting, this Contract was awarded to Gannett Fleming, Architects Inc. (GF). Accordingly, a Notice of Award and Limited Notice to Proceed was issued to GF effective February 27, 2018.

A Kick-Off Meeting was conducted with GF on March 20, 2018. GF is currently coordinating with all public utilities, completed the Boundary & Topographic surveys, Space Utilization Program to address the Commission's current operations and anticipated needs in the foreseeable future as well as Final Design. A Concept Design and preliminary Phasing options were submitted and presented to the Commission on 10/28/19 with an advance Contract T-730A that covers Trenton Morrisville's salt and fueling operation's needs. The purpose of this advance Contract T-730A was to complete the new salt operation at this location and have it fully operational for the winter of 2020-2021. This was being planned to take place prior to the demolition of the existing building together with the current salt operation. The second Contract T-519A was publicly bid on April 12, 2021, to cover the construction of the balance of the Southern Operations & Maintenance needs in a multi-phased construction.

An NPDES permit Pre-Application meeting was held with Bucks County Soil Conservation on September 26, 2019, in connection with the Southern Operations Facility intended to be built at Morrisville, NPDES and Erosion & Sediment Control permits were submitted on December 4, 2019 and both approvals were obtained on March 18, 2020. In addition, building systems phasing coordination meetings were conducted on 11/25/19, 12/6/19 and 12/18/19. Electronic Bids for Contract T-730A were received on March 5, 2020, Construction Contract award was made to the apparent Low Bidder's, Bracy Construction, Inc. at the April 27<sup>th</sup> Regular Monthly Meeting, Construction was substantially completed on November 6, 2020, and Project was completed on November 20, 2020 on schedule under budget. GF provided Post Design services through-out construction of this Project.

# February 27, 2023 PROJECT STATUS REPORT

In connection with Resolution No. 4076-12-18 and the new real estate property acquisition at Langhorne to house the Commission's Southern Maintenance Facility; GF completed the Boundary and Topographic Land Surveys necessary for Lot Consolidation in Bucks County, Environmental Assessment Phase I and Phase II.

A second advanced Final Design submission was made by GF on 12/2/19 for the Langhorne Site to implement the environmental remediation as listed in the Phase II report, demolition of ten (10) existing buildings and secure the site with perimeter fencing. Using one of the Commission's standing Job Order Contractor RCC Builders Contract TTS-737A-2 was executed January 22, 2020. GF provided Post Design services through-out construction and this Project was closed June 15, 2020.

As part of an NPDES permit application process for this site, screening for suspected Bog Turtles and other federally endangered species was made on June 14<sup>th</sup>, 2019, by the US Army Corp. of Engineers (ACOE) and found that the Project site does not include a Bog Turtle Habitat. In light of these results an environmental permitting pre-application meeting were held on June 20th 2019 and January 23, 2020 with PADEP in attendance together with the US Army Corps of Engineers as relates to a joint permit for wetland and storm water impact and mitigation at this Langhorne site. Also, as a pre-requisite to obtain NPDES permit approval, a SHPO survey was made and a determination that there are no historic properties exist on site was obtained on March 24, 2020. In addition, ACOE conducted a survey on March 16<sup>th</sup>, 2020 and determined that none of their jurisdictional waters or wetlands exist on this site. Furthermore, the ACOE biologist who provided this survey agreed that the pond that exists on-site is man-made and therefore is not considered jurisdictional based on his field inspection. Additionally, two state identified endangered species were identified by the Pennsylvania Natural Diversity Inventory (PNDI) to potentially exist on-site. The Consultant initiated field surveys on March 13<sup>th</sup>, 2020 and field traps were placed to determine if their habitat exists within the project limits to develop a mitigation plan. Survey concluded and PNDI concurred on September 9<sup>th</sup>, 2020 that none exists within the Commission's property.

A request for site Access Easement to Big Oak Road through PECO's neighboring property was made on November 1<sup>st</sup>, 2019, conditional approval was received, and an easement agreement has been received from PECO. GF prepared the Legal Description and Plot Plan, and Commission's Real Estate Counsels filed this easement with the County's Clerk's Office.

A General Permit GP-7 for minor wetland crossing was submitted on November 4, 2020 and an approval was received from PA DEP on December 22, 2020.

A Bucks County Soil Erosion and Sediment Control (SE&SC) Permit was submitted together with an NPDES Permit on August 24, 2020, and an SE&SC permit approval was received April 23, 2021. NPDES conditional approval was received on September 27, 2021 pending PADEP approval of ACT 537 Sewage Planning Module which was received November 15, 2021 to address the local sewage disposal capacity that will be exceeded due to this Project.

Constructability, Peer and Code review meetings were conducted on February 18, February 19 and February 24, 2021. Final Design submission and Bid Documents were received

# February 27, 2023 PROJECT STATUS REPORT

on April 9, 2021. Project public bid advertisement was made on April 12, 2021, virtual Pre-Bid meeting and site visits were made on April 19 and April 29, 2021 and electronic Bid Opening was made on June 2, 2021. Three bids were received, reviewed and a Construction Contract Award was made at the June 2021 Regular Monthly Meeting.

Currently GF is providing Post-Design services for Contract T-519A by attending all Project meetings, responding to requests for information, reviewing submittals, assisting in resolving conflicts in the field and clarifying the contract documents.

Construction Management Contract No. CM-519A (RJZ/KMS)

This contract is for Construction Management (CM) Services in connection with the demolition and new construction of the Southern Operations and Maintenance Facilities Improvements Project. As part of the CM services the Consultant scope of work includes Constructability Review of the Bid Documents during the Pre-Construction phase of T-519A.

Joseph Jingoli & Son, Inc. (JJS) was issued Notice of Award and Limited Notice to Proceed effective January 26, 2021. A meeting was held with the Consultant on February 3 to review the Commission's expectations of the consultant's services during the Pre-Construction phase of T-519A. Constructability Review was provided by the Consultant on the Pre-Final Design Submission, attended its design review meeting on February 24, 2021, and reviewed the Final Design Submission to confirm all comments have been addressed.

JJS attended the Construction Contract Pre-Construction Meeting on July 29, 2021 and is currently conducting bi-weekly progress meetings along with processing Architectural Supplementary Instructions, Contractor's Submittals and Request for Information as part of providing construction management services.

Construction Contract No. T-519A (RJZ/KMS)

Contract T-519A was awarded to Bracy Construction, Inc. at the Commission Regular Monthly Meeting of June 28, 2021.

This Contract will cover the southern operations & maintenance needs in a multi-phased construction. Specifically, The Project includes the demolition of the existing Trenton Morrisville Toll Bridge Administration Building and Maintenance Garage, construction of new Operations Building which will include the Primary Control Center and Toll Collection functions as well as a separate Vehicle Storage Building that will support Maintenance needs and Salt Operation for this location. This Project also include Construction of new salt storage building, fueling island, deicing equipment, maintenance garage that will include a wash bay, welding shop, vehicle maintenance and vehicle storage bays along with support spaces such as: offices, lockers and

# February 27, 2023 PROJECT STATUS REPORT

recreation and conference rooms. This Project also includes the installation of new Fleet Management System to be integrated into the Commission-Wide Fleet Management System at the New Hope Lambertville Toll Bridge Facility.

Notice of Award and Limited Notice to Proceed was issued to the Contractor on June 28, 2021. Contractor submitted all preliminary documents necessary for executing the agreement and issuing Notice to Proceed was made effective July 27, 2021. Pre-Construction Meeting was conducted on July 29, 2021, long lead delivery Items submittal phase is complete and coordination with material suppliers to reduce material delivery lead time continues. Contractor continues preparing miscellaneous and recurring submittals for review by the Commission, Design and CM teams. Utilities coordination and relocation are in progress at both the Langhorne & Trenton Morrisville site. Rammed Aggregate Piers as a form of ground improvements, Demarcation building envelope waterproofing, roof and facade were completed at Trenton Morrisville site. As part of securing as much material as possible onsite based on the global supply chain challenges, structural steel, mechanical and roofing material for this entire site were received and stored on-Similarly, temporary electrical equipment is being sourced and installed to allow the transition from Phase 1 to Phase 2 and to overcome global supply chain delays specifically as relates to electrical distribution systems' equipment. Temporary office trailers that will house our Toll Operation at this Toll Bridge were delivered to the field and they are currently being set-up with utilities, security devices and furniture in preparation for the Commission use. Mechanical, Electrical and Telecommunication infrastructure cut-over work is currently in progress to support the functions served by our existing Toll Plaza and Maintenance Building.

At the Langhorne site, utility coordination, site work continues, salt building footings, cast in place concrete walls, roof truss erection, roofing and siding were completed. Electrical work that will serve the salt building and fueling island is currently in Progress. Concrete fueling island, cantilever canopy footers and steel erection are complete. Electrical and plumbing for the fueling island, brine and magnesium chloride deicing systems were completed and their respective concrete pads were poured as part of Phase 1. Contractor completed the storm water pipes, inlets, manholes, and underground storm water detention basins in accordance with the approved NPDES Permit. Soil remediation continues through-out the site as found necessary. Domestic water and sanitary sewer installation to the building is complete. At the Maintenance Building, concrete footings and foundation walls, electrical and plumbing under-slab rough-ins as well as structural steel erection activities have been completed. Base concrete slab was poured, and the Contractor is currently working on the radiant floor heating system together with the toping slab, roofing, office area partition walls, mechanical, electrical and plumbing activities are in progress. Building envelope waterproofing and façade is also in Progress.

# February 27, 2023 PROJECT STATUS REPORT

#### SCUDDER FALLS TOLL BRIDGE

#### SCUDDER FALLS BRIDGE REPLACEMENT PROJECT

Final Design Contract No. C-660A (SJB/KMS)

During the January reporting period Michael Baker Jr., Incorporated (Baker) of Hamilton New Jersey continued their construction phase support services efforts to review and respond to any final submittals from the Contractor and any final requests for information from the Construction Manager; and, participated in various Contract T-668A technical meetings involving design and field questions with the CM/CI team, all via conference call.

Construction Contract No. T-668A (SJB/KMS)

Trumbull Corporation of Pittsburgh, PA (Trumbull) was awarded the Scudder Falls Bridge Replacement Construction Contract T-668A in the amount of \$396,000,000.00 at the Commission's January 30, 2017 Meeting. The Commission issued a full Notice to Proceed on March 3, 2017. Substantial Completion was achieved December 15, 2021.

Bi-weekly Conference Call Meetings were suspended this reporting period due to the few remaining punch list items of work that needed to be completed. No new Requests for Information (RFIs) or submittals were made by the contractor this past month. To date there have been a total of 919 Contractor RFIs and a total of 1,710 Contractor Submittals. Trumbull submitted the As-Built CPM Schedule that includes all of the final punch list item work.

No punch-list item work was performed by Trumbull or any of its sub-contractors during the January reporting period. The remaining work to be completed by Trumbull is all landscape related work that cannot resume until March of this year.

Construction Management Contract No. CM-669A (CTH/KMS)

At the October 31, 2016 Commissioners Meeting, the Commission awarded Contract No. CM-669A, Construction Management Services for the Scudder Falls Bridge Replacement project to Hill International (Hill) of Philadelphia, PA for an amount not-to-exceed \$25,015,066.98. Hill was provided with Notice of Award and Limited Notice to proceed on November 2, 2016. Hill

# February 27, 2023 PROJECT STATUS REPORT

was then issued a Full Notice to Proceed on January 31, 2017, in parallel with the award of the Scudder Falls Bridge Replacement Contract T-668A at the same meeting.

The Hill team performed the following tasks throughout construction duration: supply construction management personnel as necessary, monitor Trumbull's performance and progress, conduct bi-weekly progress meetings, oversee and coordinate the three (3) construction inspection firms, perform utility coordination in NJ & PA, perform schedule reviews, conduct bi-weekly scheduling meetings, maintain document control, perform health and safety inspections, adjust project staffing as required, address material testing and inspection plan requirements, prepare monthly contractor invoices and manage overall project budget. Project close-out tasks are being performed by remaining project staff.

# DESIGN MANAGEMENT CONSULTANT SERVICES T-668A CONSTRUCTION

Task Order Assignment No. C-502A-2I (SJB/KMS)

AECOM is providing DMC services during the construction of the Scudder Falls Bridge Replacement Project, Contract T-668A, under this Task Order Assignment, which began on April 1, 2017. The DMC Services include support to the Commission in the following and assistance with various project close-out activities:

**Environmental Agency Coordination** – <u>Continuous services</u> providing Project-wide assistance with environmental activities during construction.

**Environmental Permitting** – No environmental permitting work was performed this reporting period.

Environmental Monitoring Services – <u>Continuous services</u> throughout construction to meet project permit requirements. Year 1 monitoring activities for the PA Wetlands Mitigation Site, which were initiated in early May by ACT Engineers, continued this reporting period.

Contracts C-660A and T-668A Progress Support - DMC services during this reporting period included ongoing coordination with the Baker Final Design Team to expedite any remaining submittal responses from the Contractor and design questions from the Project Team; design and/or construction issue trouble-shooting and resolution support; existing facility interface coordination support; liaison to the Commission Operations, Public Safety Bridge Security, and Purchasing Departments for maintenance of the existing equipment and other roadway appurtenances within the SFB Project area; and, required coordination with outside parties, including the adjacent municipalities, and State DOT's. DMC Staff is also providing coordination and support with the various project close-out activities.

# February 27, 2023 PROJECT STATUS REPORT

#### PUBLIC INVOLVEMENT SERVICES

Final Design Services Contract No. C-662A (CTH/KMS)

McCormick Taylor, Inc. (MT) was awarded this Public Involvement (PI) Contract at the Commission's September 28, 2015 Meeting, and issued Notice to Proceed effective October 29, 2015. MT's public involvement effort focuses on regularly communicating project activities to officials, stakeholders and the public, as well as informing motorists of near-term construction stage travel implications, performing public involvement initiatives and market research activities and development of discussion guides and analysis related the implementation of the new toll, and payment options related to All-Electronic Tolling. MT has finalized a new project specific logo and has created a new project specific website that went live on October 4, 2018. MT submitted a revised public involvement toll-implementation strategy and timeline to Commission staff for application and roll-out. MT continues to monitor the toll-free information line calls, compiling and responding to calls as well as project specific e-mails related to construction and toll implementation. This contract is currently in the process of being closed out.

#### SCUDDER FALLS PARK AND RIDE PEDESTRIAN/BICYCLE TRAIL

Task Order Assignment No. C-729A-2 (CAS/KMS)

This project includes the installation of a pedestrian/bicycle trail located at the Scudder Falls Park and Ride facility. The installation of the pedestrian/bicycle trail will provide connectivity to a planned Lower Makefield Township trail to the Commission's existing trail that leads to the 1799 House. The Commission's proposed trail will start at the southeast corner of Taylorsville Road and Woodside Road and terminate at the existing trail located at the eastern side of the park and ride lot.

Mount Construction completed the installation of the detectable warning surface where the path meets the driveway to the park and ride lot. Mount Construction will return to the site to address punch list items in the spring.

# February 27, 2023 PROJECT STATUS REPORT

# POST- CONSTRUCTION TRAFFIC STUDY FOR THE SCUDDER FALLS BRIDGE REPLACEMENT PROJECT

Task Order Assignment No. C-769A-1 (CAS/ KMS)

The Commission is required to complete a post-construction traffic study for the Scudder Falls Toll Bridge (SFB) Replacement Project that will provide traffic volume and traffic data documentation, including volume to capacity (v/c) analysis of key roadways and intersections that may have been impacted by the project after tolls were implemented on the new SFB. The current traffic volume and traffic data documentation obtained as part of this study will then be compared to the base line traffic volume and traffic data documentation that was obtained as part of the Pre-Construction Traffic Study to determine what, if any, traffic diversion impacts from tolling have resulted. The traffic study is to be performed in accordance with the Interagency Agreement that was executed in April 2012 between the Commission, the Pennsylvania Department of Transportation (PennDOT), and the New Jersey Department of Transportation (NJDOT).

Traffic Planning & Design, Inc. (TPD) completed the draft report, and it was submitted to the Commission for review. Review comments were provided to the TPD team and the report is being finalized.

New Hope-Lambertville Toll Bridge Stone Veneer Repairs
Design
Contract No. C-704A-2
(MEM/KMS)

At the end of March 2019, a section of the stone veneer façade at the east abutment of the New Hope – Lambertville Toll Bridge (Route 202) came loose and separated from the structural abutment. Greenman-Pederson, Inc. (GPI) was given the task to investigate the cause and determine a solution for the issue. The consultant was given Notice to Proceed on 4/29/2019. The consultant went out in the field on 5/15 and 5/16/19 to access the condition of the stone veneer at both abutments of the NH-L Toll Bridge. A preliminary report was received June 7<sup>th</sup>, 2019. The report was finalized 7/15/2019. Preliminary design/repair documents were received 8/9/2019 and reviewed by 8/23/19. Final design documents were received electronically on 9/13/2019. Maintenance forces have improved the fencing around the deteriorated section at the NJ abutment facade.

A construction cost estimate was developed by our Job Order Contractor, RCC Builders & Developers (RCC). Due to excessive costs, a change in scope of work have been made and the

# February 27, 2023 PROJECT STATUS REPORT

design consultant provided revised bid documents to RCC. On January 12, 2022, RCC resubmitted bid costs. The excessive costs submitted by RCC has not been accepted.

New Hope-Lambertville Toll Bridge Driveway/Parking Lot Repaving

Design
Task Order Assignment No. C-759A-3
(CTH/KMS)

Naik Consulting Group was issued Notice to Proceed effective February 4, 2022. A project kick-off meeting was held with Naik on February 10, 2022, and a field view was held on January 19, 2022. This Task Order Assignment is to provide preliminary, final and post design services for the milling and resurfacing of the Administration Building driveway and parking lot.

Naik submitted final design documents which were reviewed and provided to the selected Job Order Contractor. Naik performed all necessary post-design services. This assignment is in the process of being closed out.

Construction
Job Order Contract No. T/TS-735A-009
(CTH/KMS)

This Contract is for the milling and resurfacing of the asphalt on the administration building parking lot and driveway. at the New Hope-Lambertville Toll Facility. This contract will be completed under the Commission's T/TS-735A JOC South contract, by Mount Construction Company, Inc. (Mount) who was awarded this Job Order Contract on November 3, 2022.

A pre-construction meeting was held on-site with Mount and the Construction Manager, Gordian, in attendance on November 9, 2022. Field work has been substantially completed and the contractor is in the process of completing punch-list work.

Construction Inspection
Task Order Assignment No. C-760A-3
(CTH/KMS)

Construction Inspection for this JOC contract is being provided by Remington & Vernick Engineers through their CM Task Order contract, working under the Construction Manager, Gordian. The inspector attended the pre-construction meeting and is on-site daily overseeing Mount's performance.

# February 27, 2023 PROJECT STATUS REPORT

New Hope- Lambertville Architectural Bridge Lighting Concept Study

Task Order Assignment No. C-759A-4 (CTH/KMS)

Naik Consulting Group was issued Notice to Proceed effective August 30, 2022. A project kick-off meeting was held with Naik on September 1, 2022 and a field view was held on September 14, 2022. This Task Order Assignment is to develop several architectural lighting concepts for the main river bridge. Naik submitted a preliminary draft of the concept study report which is currently being reviewed by Commission staff.

#### UHLERSTOWN-FRENCHTOWN TOLL SUPPORTED BRIDGE

Replacement of NJ Upstream Retaining Wall

Design Contract No. C-732A-1 (HDH/MEM/KMS)

The stone masonry retaining wall to the north of the Bridge Monitor Shelter in Frenchtown is deteriorated and in need of replacement. Arora and Associates, P.C. has been given the task to design a new retaining wall that would keep the appearance of the existing wall in mind. Arora was given Notice To Proceed on 8/16/2019. A Preliminary Design submission has been received 9/4/2019. Upon review by the Commission, the consultant has been asked to provide an additional design option, which would include acquiring additional property. Consultant provided additional Engineer's estimate on 10/17/2019. Since the replacement of the wall is hampered by the location of the property line, a meeting is being set up with Frenchtown Borough, owner of the adjacent property, to discuss easement. Meeting with Mayor of Frenchtown on 12/20/2019 regarding construction. The adjacent property is part of the Borough's Recreation and Open Space Inventory, there are on-going follow up discussions with NJDEP Green Acres Program.

Since the discussion with Green Acres to purchase additional property fell through, a meeting was held with Arora on February 19, 2021 to discuss moving forward with a design to replace the wall in-place. On February 26, 2021, meeting was held with Frenchtown Borough to discuss some additional improvements to benefit the adjacent Sunbeam Lenape Park. On the same date, a meeting between Arora, Commission personnel and JCP&L was held to discuss relocating the utility pole on Commission property. On March 18, 2021 a meeting was held at the site with the contractor and the design consultant to discuss constructability of the new retaining wall. Awaiting approval of construction easement, currently with SHPO, and signed agreement from JCP&L.

# February 27, 2023 PROJECT STATUS REPORT

A Meeting was held in November between the Engineering Department, JCP&L (Utility Company) and Arora. A Representative from JCP&L requested the agreement be revised to include the planned load center (electric service) center for the Borough of Frenchtown and to specify the temporary support required for the utility pole on Commission property. While awaiting a final signed agreement with JCP&L, Arora is finalizing the Design Plans for the wall under the assumption the agreement with JCP&L will be acceptable.

A Pre-Final design package was submitted by Arora mid- January. These plans include a load center to provide access for Frenchtown Borough to electricity for Sunbeam Lenape Park. The Borough is expected to provide feedback on the load center, and JCP&L is expected to give approval for the proposed temporary support for the utility pole on Commission property.

Final design plans were submitted, The Job Order Contract with Mount Construction will be T/TS-735A-010. A scope of work meeting was held with the JOC contractor and Arora on April 29, 2022. Mount Construction developed a price proposal to perform the work which was negotiated and finalized/executed on November 16, 2022.

The utility agreement with JCP&L was finalized on April 26<sup>th</sup>, 2022. The Construction Easement with the Borough of Frenchtown has been finalized on May 31<sup>st</sup>, 2022.

On Saturday December 17, 2022, this retaining wall partially collapsed. DRJTBC inspected along with Arora and Mount Construction. On Tuesday and Wednesday December 20 and 21, 2022, Mount Construction installed temporary stabilization measures along with construction fencing to secure the area. In January Arora revisited the wall replacement design and issued a draft Change of Plan since the field condition has changed. Arora is providing post-design services and is making changes to the design as needed due to the collapse of a section of the wall in December.

# Construction Inspection Services Contract No. C-760A-2 (HDH/MEM)

On May 17<sup>th</sup>, 2022 the Commission requested a proposal from the Remington & Vernick Engineers (RVE) to provide Construction Inspection (CI) services for Uhlerstown-Frenchtown Toll-Supported Bridge Retaining Wall Replacement project. This included providing one (1) full time Inspector, who will provide inspection services during the appropriate periods of construction. The Construction Inspector will coordinate with and report to the Commission's Construction Manager, The Gordian Group, as well as, to the Commission.

On May 24<sup>th</sup>, a cost proposal was received from RVE for Construction Inspection services for this project. The fully executed Task Order Agreement was issued to RVE on June 16, 2022.

# February 27, 2023 PROJECT STATUS REPORT

A Construction Inspector is being provided by RVE and was present during the emergency repairs in mid-December 2022.

Construction
Job Order Contract No. T/TS- 735A-10
(HDH/MEM)

Under the Job Order Contracting Services for Bridge, Highway and Civil Work – Region South, Job order T/TS-735A-10 was created the end of April 2022. A joint scope meeting was held on-site on April 29<sup>th</sup>, 2022 and was attended by the Contractor (Mount Construction), the Design Consultant (Arora) and personnel from Engineering. A preliminary cost proposal was received from Mount Construction in the beginning of July. A final cost proposal was received from the Contractor and accepted the beginning of October.

Early December of 2022, the retaining wall collapsed after heavy rainfall. Emergency stabilization was performed by the contractor in Mid-December. Construction to replace the wall is anticipated the beginning of March 2023.

#### CENTRE BRIDGE- STOCKTON TOLL SUPPORTED BRIDGE

Structural Health Monitoring Pilot Program
Design Services
Contract No. C-750A-5
(WMC/KMS)

The Commission took receipt of the spare parts inventory for the structural health monitoring system, Resensys SenScope, in operation at the Centre Bridge-Stockton Toll-Supported Bridge. This allows Commission and Consultant personnel to monitor the structural health of the structure, identify overweight crossings and approximate their weights.

Bearing and Bridge Seat Rehabilitation Contract No. C-769A-2 (HDH/MEM)

During the biannual inspection of the toll supported bridges, the Commission's General Engineering Consultant (GEC) identified several areas that require repair at the Centre Bridge-Stockton Toll- Supported Bridge (CBSTSB). The areas of concern are identified as loose, missing and/or bent anchor bolts at the truss and sidewalk bearings with associated spalls in the bridge seats resulting in loss of bearing area. Additional areas of repair are identified at the deck joints and bridge seats of the single span bridge over the Canal at the west approach of CBSTSB.

# February 27, 2023 PROJECT STATUS REPORT

Traffic Planning and Design, Inc (TPD) was provided with Notice to Proceed on December 13, 2022. An inspection crew from TPD started an in-depth field inspection the week of January 9, 2023 for the purposes of determining the approach to the design and construction of the repairs. Preliminary findings report on the condition was submitted the end of January, and is currently under review by Commission staff.

#### WASHINGTON CROSSING TOLL-SUPPORTED BRIDGE

Washington Crossing Bridge Replacement Scoping Study
Design Services
Contract No. C-750A-7
(WMC/KMS)

WSP submitted a revised draft scoping document to address comments provided by the Commission during previous review meetings.

#### NORTHAMPTON STREET TOLL SUPPORTED BRIDGE

Northampton Street Toll Supported Bridge Rehabilitation
Design Services
Contract No. C-590A
(MEM/KMS)

At the April 27, 2020 Commissioners Meeting, the Commission awarded Contract No. C-590A, Northampton Street Toll-Supported Bridge Rehabilitation Design to Greenman-Pedersen, Inc. (GPI) of Lebanon, NJ. GPI was provided with Notice of Award and Limited Notice to Proceed the same date. GPI was then issued a Full Notice to Proceed on May 15, 2020.

A contract kick-off meeting was held on May 14, 2020. Field condition assessments commenced on May 18, 2020 and have been completed. On June 12, 2020 GPI submitted their Draft Condition Assessment and Recommendation Report along with their Draft Architectural Lighting Concept Study Report. On September 11, 2020 GPI submitted their Preliminary Design plans and specification. On October 30, 2020 GPI submitted the Pre-Final Design submission. On December 18, 2020 GPI submitted the Final Design documents. A virtual Public Officials Presentation of the project was conducted on June 16, 2021 followed by a virtual Open House Presentation on June 23, 2021.

The project was posted for bid on July 20, 2021. A virtual pre-bid meeting was conducted on July 27, 2021. Bids were received and open during a virtual public bid opening held at 2:00 PM on Tuesday August 31, 2021 and evaluated by GPI. At the September 27, 2021 Commission Meeting authorization was granted to award the construction contract to J.D. Eckman of Atglen, PA for the not-to-exceed amount of \$15,487,427.50. GPI continues to perform post design services in support of the project.

# February 27, 2023 PROJECT STATUS REPORT

CM/CI Services Contract No. CM-590A (MEM/KMS)

At the September 27, 2021 Commission Meeting authorization was granted to award the Construction Management/Construction Inspection Services contract (CM-590A) to Johnson, Mirmiran and Thompson, Inc. (JMT) of Philadelphia for the not-to-exceed amount of \$1,554,968.16. Johnson, Mirmiran and Thompson, Inc. of Philadelphia was issued Notice of Award/Limited Notice to proceed effective September 28, 2021. A project kick-off meeting has held on October 15, 2021 and a project field view was conducted by JMT with the contractor and the designer on October 19. The full Notice to Proceed was issued November 5, 2021.

JMT has established a field office at the project site and has managed activities through stage 1, stage 2 and stage 3 of the project. Stage 2, consisting of steel repairs, sidewalk replacement and painting along the north side of the bridge, commenced on March 16, 2022. Stage 3, consisting of steel repairs, sidewalk replacement and painting along the south side of the bridge, commenced on August 8, 2022. On Thursday November 4, 2022 the contractor completed all work requiring long term lane closures. Short-term, off-peak lane closures are still in effect. JMT continues to provide CM/CI services for the project.

Construction
Contract No. TS-590A
(MEM/KMS)

At the September 27, 2021 Commissioners Meeting, the Commission awarded Contract No. TS-590A, Northampton Street Toll-Supported Bridge Rehabilitation to J.D. Eckman Inc. of Atglen, PA for an amount not-to-exceed \$15,487,427.50. J.D. Eckman was provided with Notice of Award/Limited Notice to proceed on September 28, 2021. A project field view was conducted by the construction manager, with the contractor and the designer on October 19. The full Notice to Proceed was issued on November 15, 2021.

J.D. Eckman has completed the work that defines stage 1, stage 2 and stage 3. Stage 2, consisting of steel repairs, sidewalk replacement and painting along the north (upstream) side of the bridge, commenced on March 16, 2022. Stage 3, consisting of steel repairs, sidewalk replacement and painting along the south (downstream) side of the bridge, commenced on August 8, 2022. Intermittent long-term lane closures commenced March 16, 2022 and were completed on November 3, 2022. Continuous lane closures, coinciding with the erection of the paint containment scaffolding along the trusses, closing the outside lane and accommodating two-way traffic in the remaining two lanes, commenced April 18, 2022. Beginning on April 18, 2022, during the evening rush hours, an additional Commission Bridge Monitor has been assigned to the Pennsylvania side of the bridge to assist in the mitigation of traffic back-ups on the bridge. In addition, starting on May 3, during the evening rush hours, a Phillipsburg Police Officer has been assigned to the New Jersey intersection to assist in the mitigation of traffic back-ups into Philipsburg.

# February 27, 2023 PROJECT STATUS REPORT

On November 3, 2022 JD Eckman completed all work requiring long-term lane closures. Short-term, off-peak lane closures are still in effect and are picked up at the end of the work shift prior to the peak period traffic volumes.

#### EASTON-PHILLIPSBURG TOLL BRIDGE

Facility Parking Lot Improvements
Design Services
Task Order Assignment No. C-732A-5
(CTH/KMS)

Arora and Associates was issued Notice to Proceed effective March 30, 2021. A project kick-off meeting was held with Arora on April 6, 2021. This Task Order Assignment is to perform design services for repaving the Easton-Phillipsburg Toll Bridge Facility Parking Lot, renewal of settled sidewalk and curb along the Ramp C retaining wall, replacement of a fire hydrant and water main located in the parking lot, and connection of garage floor drains to the sanitary sewer. Arora submitted their Preliminary Design documents on April 30, 2021. The documents have been reviewed by Commission staff and comments were provided to Arora for consideration. Arora provided final design documents on August 27, 2021. The construction documents were provided to the selected Job Order Contractor and a draft proposal was submitted accordingly. The Commission approved the revised proposal from the Job Order Contractor. Arora performed post-design services and the assignment is in the process of being closed out.

Construction
Job Order Contract No. T/TS-734A-004
(CTH/KMS)

This Contract is for the milling and resurfacing of the asphalt on the administration building parking lot, localized sidewalk replacement, replacement of a water main located in the parking lot and connection of garage floor drains to the sanitary sewer at the Easton-Phillipsburg Toll Facility. This contract will be completed under the Commission's T/TS-734A JOC North contract, by Mount Construction Company, Inc. (Mount) who was awarded this Job Order Contract on May 2, 2022.

A pre-construction meeting was held on-site with Mount and the Construction Manager, Gordian, in attendance on June 6, 2022. Field work has been substantially completed and the contractor is in the process of completing punch-list work.

# February 27, 2023 PROJECT STATUS REPORT

Construction Inspection
Task Order Assignment No. C-760A-1
(CTH/KMS)

Construction Inspection for this JOC contract is being provided by Remington & Vernick Engineers through their CM Task Order contract, working under the Construction Manager, Gordian. The inspector attended the pre-construction meeting and is on-site daily overseeing Mount's performance. This assignment is in the process of being closed out.

#### RIVERTON-BELVIDERE TOLL SUPPORTED BRIDGE

Northwest & Southwest Wingwall Rehabilitation
Design Services
Task Order Assignment No. C-751A-1
(HDH/MEM)

The masonry wingwalls at the northwest and southwest corners of the Riverton – Belvidere Toll Supported Bridge are in need of repair, rehabilitation or replacement. The walls exhibit vertical misalignment, areas of bulging stones, missing mortar and water staining as a result of water seeping through the wall. The sidewalk along the high side of the northwest wall exhibits signs of settlement and the concrete monument on the high side of the wall has settled and rotated.

Traffic Planning and Design, Inc (TPD) was provided with Notice to Proceed on June 16, 2021. On Wednesday, June 23, 2021, a Kick-Off meeting was held via Microsoft Teams with personnel from TPD. Sub-consultant is performing soil borings. TPD submitted an initial draft Alternatives Analysis Submission report the beginning of September. A meeting was held on October 14, 2021, to review the proposed solutions in the report and discuss any other future alternatives.

A revised analysis report was submitted on November 5, 2021. This report included an interim recommendation to monitor the northwest wingwall for further movement at three month intervals for a year. A meeting was held with TPD on November 17, 2021 to discuss this recommendation, and TPD was given the go-ahead to start the survey-based monitoring work on November 18, 2021.

An initial Survey of the Northwest wingwall was done by Navarro & Wright, subconsultant to TPD, on December 1, 2021. Reflective targets and plates were attached to the wall. Next field survey will be done three-month from the initial, baseline, survey. The next monitoring was performed early February, with negligible changes noted. The monitoring on May 2022 again noted minor changes. The monitoring report from August 3<sup>rd</sup> registered minor changes from the previous report as well. Comparing the results of August 2022 to the December 2021 baseline, it appears there is active movement of the wall.

# February 27, 2023 PROJECT STATUS REPORT

Mid-October TPD was given the go-ahead to provide the Commission with a cost proposal for phase 2 of this project, Final Design of rehabilitating the wingwalls. The cost proposal was submitted and TPD was authorized to proceed with the phase 2 wall rehabilitation design on November 29, 2022. A preliminary design was submitted to the Engineering Department the end of January, which is under review by Commission staff.

#### MILFORD-MONTAGUE TOLL BRIDGE

NJ/PA APPROACH & MAIN RIVER BRIDGE ROADWAY REPAVING
Design Services
Task Order Assignment No. C-759A-2
(CTH/KMS)

Naik Consulting Group was issued Notice to Proceed effective December 2, 2021. A project kick-off meeting was held with Naik on December 7, 2021 and a field views were held on November 10<sup>th</sup> & December 16<sup>th</sup>, 2021. This Task Order Assignment is to provide preliminary, final and post design services for replacing/rehabilitating the pavement at the NJ & PA approach roadway and to resurface the Main River Bridge deck. Also included is the milling and resurfacing of the Operations Building Parking Lot as well as various drainage improvements along the Pennsylvania approach.

Naik submitted a draft version of the Alternatives Study Report on January 18, 2022 which was reviewed by Commission staff and comments provided to Naik on January 24, 2022. Naik submitted final design documents for T-718A on March 4, 2022. As requested by the Commission, Naik revised the design documents to be performed through a current job order contract. Naik is currently performing post-design services.

Construction
Job Order Contract No. T/TS-734A-006
(CTH/KMS)

This Contract includes replacing/rehabilitating the pavement at the NJ & PA approach roadway and to resurface the Main River Bridge deck. Also included is the milling and resurfacing of the Operations Building Parking Lot as well as various drainage improvements along the Pennsylvania & New Jersey approach. This contract will be completed under the Commission's T/TS-734A JOC North contract, by Mount Construction Company, Inc. (Mount) who was awarded this Job Order Contract on July 15, 2022.

A pre-construction meeting was held on-site with Mount and the Construction Manager, Gordian, in attendance on July 26, 2022. Field work has commenced, and a large majority of work was completed in 2022. Due to weather limitations the remaining work will be completed in the spring of 2023.

# February 27, 2023 PROJECT STATUS REPORT

Construction Inspection
Task Order Assignment No. C-751A-3
(CTH/KMS)

Construction Inspection for this JOC contract is being provided by Traffic Planning & Design, Inc. through their CI Task Order contract, working under the Construction Manager, Gordian. The inspector attended the pre-construction meeting and is on-site daily overseeing Mount's performance. Staff will return to the site once work resumed in spring 2023.

#### MULTIPLE FACILITIES AND/OR COMMISSION-WIDE

# CAPITAL PROGRAM MANAGEMENT CONSULTANT (CPMC) & DESIGN MANGEMENT CONSULTANT (DMC) SERVICES FOR CAPITAL IMPROVEMENT PROJECTS

#### CPMC SERVICES - 2018 THROUGH 2024

Task Order Assignment No. C-502A-1M (SJB/KMS)

Task Order Assignment 502A-1M, Capital Program Management Consultant (CPMC) Services for 2018 through 2021 began in April 2018. AECOM is currently providing one (1) part-time Project Manager to oversee and administer various design and construction projects that are being advanced in the Capital Improvement Program. CPMC staff are currently coordinating the relocation of the bridge lighting electric service at the Lumberville – Raven Rock (LRR) Toll Supported Bridge. The CPMC staff also developed the draft RFP for Contract C-766A, I-78 NJ Roadway Rehabilitation and Power & Communication Infrastructure Design.

# **ELECTRONIC SURVEILLANCE / DETECTION SYSTEM**

ESS Maintenance Contract Contract No. DB-724A (WMC/KMS)

Schneider Electric Building Americas, Inc. continued to provide maintenance services in support of the Electronic Surveillance / Detection System under the direction of the Commission's Public Safety and Bridge Security, who operates the system from the Primary Control Center located at the New Jersey State Police's Regional Operation and Information Center (ROIC) in West Trenton, New Jersey.

# February 27, 2023 PROJECT STATUS REPORT

ESS Request For Proposal Development Task Order Assignment No. C-728A-4 (WMC/KMS)

The Commission meet with representatives of Rummel, Klepper & Kahl and their sub-consultant, IBI Group, to discuss a modified approach to maintaining the Electronic Surveillance/Detection System (ESS). Work involved initial revisions to the request for proposal materials in support of the procurement of integrator type vendor to provide maintenance and other related services for the ESS to commence on or before the conclusion of the term of the existing ESS Maintenance Contract.

#### **ELECTRONIC TOLL COLLECTION**

Customer Service Center/Violation Processing Center Project Contract No. DB-584A (CAS/KMS)

Commission staff and Conduent executed a contract change order to adjust the pay-by-plate process that allows for making toll adjustments for super-load vehicles when crossing the Scudder Falls Toll Bridge in the toll direction. These vehicles often have atypical configurations that do not allow for the correct vehicle classification, requiring intervention by Commission Staff to adjust the toll amount prior to the issuance of a toll-by-plate invoice. Work on this enhancement began with a kickoff meeting to confirm the requirements of the functionality.

Commission staff are working with Conduent to plan for the implementation of the IAG Interface Control Document (ICD) version 1.60. This will allow Customer Service Centers to receive data and process transactions from other transponder protocols such as SeGo and 6C. TransCore prepared revisions to the ICD between the toll host and the New Jersey E-ZPass Customer Service Center (CSC) that is required as the NJ CSC's prepared for IAG ICD 1.60. The revisions to the document were completed and submitted to Conduent for their review. Commission staff is coordinating a meeting with both vendors to discuss the edits to this document, so it may be finalized.

The New Jersey Turnpike Authority (NJTA), as the lead agency, is facilitating all meetings with the other agencies and Conduent to manage the implementation of outstanding system elements for the New Jersey E-ZPass Customer Service Center.

# February 27, 2023 PROJECT STATUS REPORT

#### ELECTRONIC TOLL COLLECTION SYSTEM REPLACEMENT

Design, Build and Maintain Contract No. DB-540A (CAS/KMS)

There is one (1) overhead vehicle profiling units (OPUS) unit at the Delaware Water Gap Toll Bridge Open Road Tolling (ORT) zone for the shoulder lane that requires replacement. The replacement is scheduled for early February 2023.

TransCore worked with Commission staff to address a report discrepancy. In doing so, it was determined that flushed tag transactions need to be filtered by the lane system to prevent them from being transmitted to the NJ CSC and included in reports that are produced by the lane system. This process was implemented in early February 2023.

TransCore is coordinating the relocation of the bridge host and all cabling to the lane controllers for the Southern Operations and Maintenance Facilities Improvements project. On site work will begin once the demarcation building is available.

The Commission executed a contract Unforeseen Allowance Reduction for costs associated with the installation, integration and testing (2 months) of a TransCore Encompass (E6) multiprotocol reader at the Trenton-Morrisville Toll Bridge. This reader will enable Commission toll facilities to read transponders that use TDM (IAG), SeGo or 6C protocols by the end of 2023, an IAG directive. TransCore inspected the area inside the toll plaza canopy and indicated that the location will be acceptable for the new reader.

Commission Staff and TransCore meet monthly to review and discuss system operational and maintenance items. A weekly call also takes placed to briefly review system maintenance items for the week.

# ELECTRONIC TOLL COLLECTION / TOLLING TASK ORDER CONSULTANT

ALL ELECTRONIC TOLLING IMPLEMENTATION PLAN
Task Order Assignment No. C-728A-6
(CAS/ KMS)

A project meeting with Commission Staff and the Rummel, Klepper & Kahl, LLP (RK&K) team occurred to review the items that are required to be included in the AET Implementation Plan. The meeting also discussed at a high-level ideas, concepts and sequences for the overall plan. Several workshops will be facilitated to have detailed discussion of the plan elements.

# February 27, 2023 PROJECT STATUS REPORT JOB ORDER CONTRACTING SERVICES

Job Order Contracting Program Manager Contract No. C-727A (WMC/KMS)

The Gordian Group's activities included providing program management services in support of individual job orders.

Additional work involved updates to the front-end bid documents as well as the Construction Task Catalog and supplementary Technical Specifications to be used to procure contractors to provide job order contracting type construction services.

The first phase of the external marketing program was implemented involving direct emails focused on the local contracting community and a detailed presentation was provided to prospective bidders attending the Pre-Bid Conference on February 1, 2023.

#### **GENERAL ENGINEERING CONSULTANT**

2021-2022 Annual Inspections Contract No. C-757A (HDH/MEM/KMS)

As the Commission's General Engineering Consultant (GEC), Pickering, Corts & Summerson (PCS) is providing Annual Inspection Services for the Toll Bridges in 2021, and Toll Supported bridges in 2022. PCS was provided with Limited NTP on February 23, 2021 and Notice to Proceed on April 12, 2021. A kick-off meeting was held virtually April 9, 2021 via Microsoft Teams, and attended by representatives from Operations in all three Regions; Engineering and PCS.

As of June 25, 2021, Interim inspections have been completed at the following Toll Supported Bridges: Riverton Belvedere, Centre Bridge Stockton, Lower Trenton, Calhoun Street, Washington Crossing, New Hope Lambertville, Uhlerstown Frenchtown, Riegelsville and Northampton Street. This completes all Interim Inspection work.

On July 15, 2021, after a dump truck overturned on the east (NJ) approach the GEC inspected the north approach guiderail, parapet and bridge parapet for impact damage.

As of July 31, 2021 Regular inspections have been completed at the following Toll Bridges: Easton Phillipsburg Toll Bridge (Route 22), Broad Street Viaduct (approach structure to the EPTB), all approach structures at the PA side of the EPTB, I-78 Toll Bridges (East & Westbound), NJ and PA approach structures to the I-78 main river bridges, Delaware Water Gap toll Bridges (East & Westbound), the Portland-Columbia Toll bridge, NJ approach structures to the PCTB, Trenton-Morrisville, the NJ and PA approach structures to the TMTB, New Hope

# February 27, 2023 PROJECT STATUS REPORT

Lambertville, and approach structures to the NHLTB. In addition, sign structures and retaining walls associated with the TMTB, NHLTB, DWGTB, the EPTB, I-78TB, MMTB and the PCTB have been inspected.

As of September 29, 2021, Facilities inspections have been completed at all Toll Bridges. The completion of the inspection of (6) bridge, (4) sign structure, and retaining wall structures associated with the Scudder Falls Toll Bridge is anticipated the first week of October 2021. The three (3) pedestrian bridges located at SFTB will be scheduled for inspection once the main river bridge walkway is open to pedestrian and bicycle traffic.

As of October 25, 2021, the majority of the inspection work at the Scudders Falls Toll Bridge Facility has been completed. Nighttime sign reflectivity inspection has been scheduled for the first week of November, starting in the Northern Region.

With exception of three shared use path structures at Scudder Falls, which opened for use mid-November, all field work has been completed.

A Draft Maintenance Report was submitted on December 3<sup>rd</sup>, 2021. The Draft Annual report was submitted on December 17, 2021. During the month of December, reports were reviewed by Engineering and Maintenance. A meeting was held with the GEC on January 6, 2021 to discuss any comments/changes to the reports.

Final-Draft reports are anticipated by mid-January, to be approved by Engineering within two weeks; Final reports to be submitted the first week of February.

Final Reports for the 2021 inspections were received by the Commission on February 4, 2021. A Kick-Off meeting for the Toll-Supported Bridge Inspection part of the project was held February 28, 2022 via Teams.

Field work began at the Centre Bridge-Stockton Toll Supported Bridge during the first week of April. Washington Crossing, New Hope-Lambertville, Lower Trenton, Calhoun Street, Riverton-Belvedere and Upper Black Eddy Toll Supported Bridges are also scheduled to be inspected in April. The following Toll Supported bridge inspections were completed in May 2022: Centre Bridge-Stockton, New Hope-Lambertville, Riverton-Belvidere and Uhlerstown-Frenchtown. An Interim Inspection of US22 over Broad Street was completed on May 11. The Washington Crossing Toll Supported bridge was also completed in May, however, due to a vehicle accident on Saturday May 28<sup>th</sup>, a Damage Inspection was performed by the GEC on Tuesday May 31<sup>st</sup> at the request of the Engineering Department. Inspection of the Calhoun Street, Upper Black Eddy, Northampton Street, and Riegelsville bridges was completed in June. During the week of August 1<sup>st</sup>, the Facilities and Grounds of all Toll Supported Bridges were inspected. Inspection of the Uhlerstown-Frenchtown bridge was completed in August. Subconsultant to the GEC, SJH, has performed the Sign Reflectivity assessments the week of September 19<sup>th</sup> (nighttime inspections). The Preliminary Draft reports were received on September 30<sup>th</sup>, 2022.

# February 27, 2023 PROJECT STATUS REPORT

Meetings between Engineering, Maintenance and the GEC were held the week of October 17<sup>th</sup>. Comments were provided to the GEC. Final Draft reports were received November 17, 2022. The Final Report for 2022 was received by the Commission mid-January and approved by the Commissioners at the end of January. A kick-off meeting for the 2023-2024 inspection cycle is expected to be held early March.

#### MS4 STORMWATER POLLUTION PREVENTION PLAN (SPPP) UPDATE

Task Order Assignment No. C-729A-1 (JRB/KMS)

Under this Task Order Assignment (TOA) the Consultant, French & Parrello Associates (FPA), is providing professional consulting services to update the Commission's Stormwater Pollution Prevention Plan (SPPP) to incorporate changes from the Stormwater Discharge Master General Permit Renewal permit, covering R12 – Highway Agency Stormwater General Permit, issued January 1, 2020. Additionally, with the completion of the Scudder Falls Bridge Replacement Project, Administration Building at Scudder Falls, acquisition of the Park & Ride property at Scudder Falls, and construction of the Southern Operations & Maintenance Facility at Langhorne, a comprehensive update of the SPPP was necessary.

A kickoff meeting was held with Commission Staff, representatives of FPA, and T&M Associates (sub-consultant) via MS Teams on September 16, 2022. On September 26, 2022, an information gathering site visit was held at the Easton – Phillipsburg Toll Bridge. Attendees included the Deputy Director of Maintenance, DWG & E-P Regional Maintenance Supervisors (RMS), Deputy RMS from Scudder Falls, Engineering, and representatives from FPA and T&M Associates.

On October 5, site visits for stormwater facilities audits were performed at Milford – Montague TB, Delaware Water Gap TB, and Portland – Columbia TB. On October 19, site visits for stormwater facilities audits were performed at I-78 TB, New Hope – Lambertville TB, Scudder Falls TB, and Trenton – Morrisville TB. A draft updated SPPP Manual was submitted to the Commission on October 28 and comments have been provided to FPA.

On November 10, site visits for Stormwater Outfall Inspections and mapping were completed at Langhorne and Trenton – Morrisville Toll Bridge. On November 13, site visits for Stormwater Outfall Inspections and mapping were completed at Scudder Falls and New Hope – Lambertville Toll Bridge. Inspections were performed at these facilities because of substantial changes since the original outfall mapping in 2006. Outfall inspections at all other facilities are being completed by Commission maintenance forces.

The final draft of the SPPP was submitted on November 30. A page turn was held with FPA on December 19 and comments were provided. The revised, final SPPP was submitted on December 29. Upon review, revisions to the Stormwater Mapping were necessary. Those

# February 27, 2023 PROJECT STATUS REPORT

revisions were provided on January 17, 2023. Upon payment of remaining invoices, this task order assignment will be closed out.

#### TRAFFIC ENGINEERING CONSULTANT

2021–2022 Annual Reports Contract No. C-761A (CAS/KMS)

Additional 2022 traffic data was provided to Pennoni Associates to include in the annual report. Pennoni Associates compiled the 2022 traffic data and has developed the 2023 traffic and revenue forecast. The draft report was received and is being reviewed by Commission Staff in order to present the final report at the February 2023 Commission Meeting for acceptance.

#### TRAFFIC COUNT PROGRAM UPGRADE

Contract No. DR-550A (CAS/KMS)

A Purchase Order was issued to Signal Service, Inc., West Chester, PA for the traffic counters, server and additional materials. Signal Service is a member of the Pennsylvania Department of General Services COSTARS Program (Cooperative Purchasing Contract No. 4400012659). The COSTARS Program sets the pricing for the traffic counters, auxiliary equipment, and software to be purchased.

Meeting of February 27, 2023

# **OPERATIONS**

The following Pages reflect the reports on those items assigned to the Operations Department. Each item is reported separately and page numbered accordingly.

**Meeting of February 27, 2023**

## DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION Meeting of February 27, 2023

### PUBLIC SAFETY AND BRIDGE SECURITY Month of January 2023

The below-listed items represent meetings, communications, tasks, and projects involving the Public Safety and Bridge Security Department (PSBS):

### Radio System

- Public Safety and Bridge Security (PSBS) personnel alone, and in conjunction with the New Jersey State Police investigated various DRJTBC radio issues during January 2023.
- In January 2023, PSBS installed and programmed new radios for various new vehicles.
- PSBS personnel continue to work with the Regions and IT to update the Maximo radio inventory database.

#### **Access Control System**

- In January 2023, the Access Control System (ACS) database was audited and pictures were updated for employees and contractor cards.
- Various employee ACS rights were updated and/or changed at the request of supervisors.
- Various door alarms and ACS issues were investigated and addressed.

#### **Public Safety & Bridge Security**

- PSBS arranged for various Pennsylvania State Police (PSP) enforcement details at the TM plaza at the request of Engineering and Toll due to recent truck traffic damaging Transcore equipment. Additional speed enforcement details are being planned for the various toll plazas.
- PSBS personnel reviewed and purged the ESS video storage database that contains copies of videos requested by DRJTBC personnel and outside agencies.
- PSBS PCC continues to operate 24/7 and detected, documented, and assisted the Regional bridges with various emergencies, traffic, and security-related incidents.

### DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION Meeting of February 2023

### PUBLIC SAFETY AND BRIDGE SECURITY Month of January 2023

- In January 2023, PSBS worked with Human Resources (HR) on various internal investigations.
- In January 2023, PSBS personnel worked with several police departments and DRJTBC personnel on various inquiries and investigations. As a result, PSBS personnel investigated forty-four (44) video requests.
- In January 2023, PSBS staff met with Engineering regarding the development of the new Electronic Security and Surveillance (ESS) system Request for Proposal (RFP) C-728A-4.
- In January 2023, PSBS staff met with Executives and Engineering on the Vehicle Over Height Detection system for Lower Trenton.
- In January 2023, PSBS staff continued to work with Engineering and Maintenance to upgrade the conditions of the Southern Region Bridge Shelters.
- In January 2023, PSBS employees received various court subpoenas to testify in various law enforcement cases involving the DRJTBC video.
- In January 2023, PSBS continued to work with Engineering for the construction of the Southern Operations & Maintenance Facilities Primary Control Center Project.
- In January 2023, work continued at the New Hope Secondary Control Center (SCC), Computer Aided Dispatch System (CAD), and Carousel integrated phone system. PSBS Staff, along with Engineering are conducting Bi-Weekly meetings with Motorola and Carousel regarding the CAD and phone system.
- On January 27, 2023, PSBS personnel met with the Executive Staff and Engineering to further discuss the proposed I-78 camera project.

### **Miscellaneous**

- In January 2023, PSBS personnel assisted Maintenance with various traffic-related activities.
- In January 2023, PSBS held Active Shooter training at the Easton Phillipsburg toll bridge.

SUBJECT	DESCRIPTION	NUMBER
Maintenance and Toll	Status report Month of January 2023	1-9

### MAINTENANCE AND TOLL OPERATIONS MONTH OF JANUARY 2023

- Participated in Teams in T-519A Southern Operations and Maintenance Facilities Improvements (Bi-Weekly Progress Mtg.)
- Participated in weekly conference call with Toll Lieutenants to discuss, work zone safety conference, AET, vacation carryover and project updates.
- Participated in monthly Toll Sergeant's meetings to review winter snow plan procedures, carryover time and vacation selection requests for 2023.
- Participated in bi-weekly Maintenance operations meeting held at New Hope Administration building.
- Participated in meeting to discuss Toll operations staffing held at Scudder Falls Administration building.
- Senior Director reviewed and approved Garda invoices and miscellaneous charges for the month of January 2023.
- Senior Director reviewed and approved invoices from J. Fletcher Creamer for Guide Rail repairs at various locations.
- Senior Director reviewed Use of Facilities requests for January 2023 and forwarded Certificates of Insurance for review and approval.
- Senior Director prepared monthly Maintenance and Toll reports for the January 2023 staff agenda meeting.
- Senior Director prepared and forwarded report of Use of Commission Facilities for the month of January 2023.

### **Maintenance Operations**

- Director of Maintenance reviewed, and approved P Card purchases for the month of January from Regional Maintenance Supervisors.
- Director of Maintenance provided Senior Director with monthly reports of activities completed for the month of December from Regional Maintenance Supervisors.

- Director of Maintenance held monthly Regional Maintenance Supervisor meeting at New Hope Lambertville facility.
- Trenton Morrisville maintenance crews replaced chilling tower float at the Scudder Falls Administration building.
- Trenton Morrisville maintenance crews replaced the contactor for the Lower Trenton Toll supported Bridge lights.
- Trenton Morrisville maintenance crews ran the street sweeper at the Southern Region Toll Supported bridges.
- Trenton Morrisville maintenance crews installed a new mini split heating air conditioning unit at the Calhoun St. New Jersey shelter.
- New Hope Maintenance crews repaired a broken height restriction bar at New Hope Lambertville Toll Supported bridge.
- New Hope Maintenance crews repaired damaged wires that controls the magnesium chloride tank at New Hope Toll.
- New Hope maintenance crews removed Holiday decorations for the City of Lambertville.
- New Hope Maintenance crews repaired shorted out wires that control the lights on route 202 south roadway.
- I-78 Maintenance crews made repairs to three streetlights on I-78 roadway and fog lights.
- I-78 maintenance crews degreased all toll lanes on the I-78 toll plaza.
- I-78 maintenance crews repaired numerous potholes on I-78 eastbound and westbound roadway.
- I-78 maintenance crews removed and replaced various street signs on I-78 and Welcome Center.
- Easton Phillipsburg maintenance crews installed suicide prevention signs on the Northampton St. Toll Supported bridge and walkways.
- Easton Phillipsburg maintenance crews removed damaged piece of attenuator at the Frenchtown Toll Supported bridge.

- Easton Phillipsburg maintenance crews repaired electric wall heater at the Northampton St. Toll Supported bridge shelter.
- Easton Phillipsburg maintenance crews fabricated new floor trench cover in tunnel to Easton-Phillipsburg toll plaza.
- Portland-Columbia maintenance crews brined roads and responded to numerous snow ice/events.
- Portland-Columbia maintenance crews installed suicide prevention signs on main river bridge.
- Portland- Columbia maintenance crews pulled out attenuator damaged after a motor vehicle accident on route 46 ramp.
- Portland- Columbia maintenance crews cleaned, organized and painted storage room.
- Delaware Water Gap Maintenance crews brined roads and responded to numerous snow ice/events.
- Delaware Water Gap Maintenance crews repaired trash container in Toll Sergeant office.
- Delaware Water Gap maintenance crews built a new wood counter for administration office.
- Delaware Water Gap maintenance crews repaired brittle inner cooler turbo hose on F-250.
- Delaware Water Gap maintenance crews reorganized auto supply shelves in maintenance storage room.
- Milford-Montague maintenance crews brined roads and responded to numerous snow/ice events.
- Milford-Montague maintenance crews replaced delineator posts on back of lane one toll booth island.
- Milford-Montague maintenance crews painted toll men's locker room ceiling and walls.

- Milford-Montague maintenance crews installed suicide prevention crisis signs on bridge approaches.
- Milford-Montague maintenance crews removed metal wall access plate in men's toll locker room, cleaned up rust spots, and repainted.

### **Toll Operations**

- Director of Tolls scheduled closure of open road lane at DWG for Transcore repair.
- Director of Tolls scheduled Toll Lieutenants and Toll Sergeants for the Work Zone Safety conference at Mercer County Community College.
- Director of Toll participated in Transcore weekly conference calls to discuss toll system updates.
- Director of Tolls approved Part Time toll collectors 300/600 hours and submitted for hourly increase.
- Director of Tolls prepared and forwarded weekly toll cash deposits and cash transaction reports.
- Deputy Director of Tolls provided weekly report on daily cash pickups by Garda armored car service.
- Director held monthly Sergeants conference call meeting to provide updates and discuss items of interest:
  - Vacation selection for 2023
  - o Rebalancing shifts
  - o Snow Operations
  - o Transcore
  - Project updates
- Director of Toll and Deputy Director of Toll continue to conduct interviews for Part-Time Toll Collectors, schedule onboarding and training.
- Director of Tolls held weekly Toll Lieutenants conference call meeting.
- Director of Toll and Deputy Director of Toll continue to review monthly Toll Collector variance reports and report any discrepancies.

### **Fleet Department**

- Three new Ford Interceptor Patrol Vehicles picked up and in service.
- Three new design Ford maintenance pickup trucks put into service.
- Tryon and E.M. Kutz have some vehicles completed for DRJTBC.
- Ventrac snow blower and briner in service at SF facility.
- HitchDoc Snow Blower attached to wheel loader ready for pickup.
- Patrol Truck in vehicle accident reviewed by adjuster and must be replaced.
- Change/ counting table equipment quotes prepared to be submitted to purchasing for procurement.
- Radios for vehicles ordered.
- Foley CAT order ready to be submitted to purchasing to create confirming requisitions.
- Salt Dog Spreader identified and quoted and ready for procurement for NHL facility.

### Vehicle & Equipment Repairs

- EP- 550 completed brake job.
- SF- Sweeper replaced main center broom.
- 78- Mack truck fuel tank repaired, corroded out under straps.
- EP- F 650 steering box replaced.
- 78-2016 F250 sent to dealer for diagnosing.
- SF- Installed new tires on Crown Victoria.

## **Miscellaneous Items**

- Recalls received and forwarded to RMS to schedule and complete.
- Registration renewals submitted as needed.
- Added new vehicles/ equipment to Fleet insurance as needed.
- Supplied accounting with new asset spread sheets.
- Added assets into Maximo.

SAP Litmos (Learning Management System)

- Uploaded newly acquired training certificates into Litmos (LMS)
- Assisted DRJTBC employees as needed with LMS
- Uploaded/updated safety talk videos and subject specific handouts into Litmos for maintenance personnel
- Working with Litmos Customer Support to resolve issues with scheduling confirmation emails
- Monitored assignment compliance for affected departmental personnel
- Ran weekly reports for new employee updates imported from the ADP sync (retirements, promotions etc.)
- Created course module in Litmos for upcoming DOT Work Zone Safety Conference scheduled for April at Mercer County Community College
- Reviewed new course content in Litmos Content Library

#### Administrative

- Met with TES personnel at EP to discuss departmental initiatives/assignments
- Reviewed accomplishment reports submitted by TES personnel and prepared the monthly Operations Report
- Attended the Operations meeting at NHL
- Updated WFH schedule for departmental personnel
- Updated Daily TES Facility Log
- Coordinated the scheduling of CPR with Hunterdon Healthcare
- Collaborated with Somerset County to establish a shared services agreement to facilitate CDL Training for affected Maintenance Personnel.
- Assisted with CPR /AED/First Aid Training in various locations
- Obtained quotes for additional AED Units for Operations Personnel

- Collaborated with Crum and Foster reps to coordinate Fall Protection Training for affected Engineering Personnel
- Disseminated AHA CPR Certification Cards to affected personnel
- Scheduled Online Flagger training via PSATS Toll and PSBS Personnel for the Month of February
- Facilitated Skill-Path Training Classes for the month of January and researched topics to facilitate in February
- Monitored/approved ADP timekeeping for TES Personnel
- Met with PSBS Department Personnel to discuss the Spring In-Service Training Agenda
- Assisted PSBS with course training outlines and curriculum development
- Developed Weekly Training Bytes: AED Refresher, Cold Stress Hazards, Motor Vehicle Accident PCC, Situational Awareness, Verbal De-Escalation for Operations Personnel
- Assisted with the facilitation of the Active Shooter Overview Class @ the EP Facility
- Created "Responding to Motor Vehicle Accident" form to relay to PCC
- Facilitated prompt payment of purchases/services in Munis and SharePoint as per commission policy and procedures
- Coordinated a presentation to Executive Staff from subject area expert, Krishna Powell, pertaining to Harassment/Discrimination in the workplace
- Met with NJDOT Personnel to discuss safety protocols/policy and procedures implemented to ensure health and safety of their respective personnel
- Scheduled (8) maintenance employees for CDL classroom instruction with Somerset County, NJ on February 22, in conjunction with licensing requirements

#### State Police/Liaison Collaboration

- Reviewed/approved State Police MOU and Overtime Invoices
- Obtained NJSP/PSP Accident Reports as requested via HR
- Scheduled SP Personnel for projects/overtime (Activities outside the scope of the MOU)

## Employee Safety

- Inspected all AED units / Fire Extinguishers (including toll supported bridges)
- Checked/replaced batteries as needed in AED Units
- Replenished first aid kits as needed (All regions)
- Inspected Fire Safety Training Equipment stored at the I 78 Facility

### **WPSC**

- Facilitated the January Monthly WPSC Meeting @EP (Next Meeting Scheduled for February 23 @ the DWG)
- Reorganization meeting With New Members to be conducted in March via a representative from Crum & Foster
- WPSC members reviewed monthly incident reports and discussed proactive measures to assure safety at commission facilities
- Inspected Facility (EP) for Safety Compliance
- Discussed updates to the proposed Grainger Safety Shoe Program which includes a recommendation from department heads to select a limited number of chooses for their respective personnel
- Coordinated the scheduling of a "Next Step" meeting with Grainger to discuss logistical/accountability concerns moving forward
